Adudan is an urban-fantasy romance debut novel by Dario Giardi. It is about two people who are in love, Railen and his princess Adudan. They were forced to separate but then find their way back to each other. The way the book was written was excellent, it made it an easy read. The details were great, everything was straight to the point, but the only things I really craved for is the details ...

Aduana is one of the seven major Akan clans of Ghana.It is also the largest clan in terms of population. The totem of the Aduana clan is a dog. According to legend, a dog led the clan during their migration process, lighting the path with fire in its mouth. It is also believed that this fire is still at the palace of the clan's major town.
