The Psychology of Women, International Edition: Amazon.co ...

Feminine psychology is an approach that focuses on social, economic, and political issues confronting women all throughout their lives. It can be considered a reaction to male-dominated theories such as Sigmund Freud's view of female sexuality. The groundbreaking works of Karen Horney argued that male realities cannot describe female psychology or define their gender because they are not informed by girls' or women's experiences. Theorists therefore claimed this new approach was required, and th
