23. Festive Light Green Gingerbread House. For those that like the color green, this house provides you some wonderful choices, from your traditional peppermints to your less common Sixlets. On the roof we have jawbreakers that form the top, then your standard gummies and even some sour belts to create a more cohesive tile effect.

39+ Gingerbread House Decoration Ideas & Photos 2020

Gingerbread Lodge. With a little effort, a basic A-frame gingerbread house kit becomes this snowy ski lodge. We used candy rocks for the exterior, rolled wafer cookies for exposed beams and a heaping helping of royal icing and coarse sugar for the snow-kissed rooftop.

If I saw this Stone-walled Gingerbread House in a store window display, then I would dream of being able to make it myself for my own festivities. Finding this recipe put me one step closer to my dreams coming true. All the little details are just fantastic, like the green sugar tree in the window and the Christmas lights trimming the roof, and I think it truly captures the spirit of Christmas.
