ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook-the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

Mind, Body, Spirit.

A reference companion to one of the twentieth-century's most important spiritual texts provides students of "A Course in Miracles" with a source of interpretation, terms, and phrases

If your spiritual practice does not teach you how to respond appropriately to the changing circumstances in your life without compromising your spiritual values or losing your inner peace, what good is it? It is of little or no use. A Course in Miracles (ACIM) should be a practical course that helps you live a happier and self-fulfilled life today. Yet, for most, this remains an unfulfilled promise. Why? Because most people never complete the 365 daily Workbook Lessons associated with the text. The Workbook Lessons are designed to bypass the mind of your ego and open your heart. Yet, most either ignore, struggle or fail to grasp the true meaning of these lessons but you can change that. This book covers the 365 Daily Workbook Lessons. Each lesson is presented in "Dummies" format so that the richness of these lessons will become apparent, understandable and more importantly, practical. "Dummies" format demystifies the original workbook lessons by replacing the pronouns and unclear references with their meanings. This clarifies the purpose or meaning of each lesson. All antecedent references made to ACIM's Workbook Lessons are clearly noted in bold print for easy reference to the original text. Each lesson is then followed by an explanatory note to assist the reader with a deeper understanding of the lesson. The notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM Workbook for Dummies can be utilized as either a primary or secondary text for independent or group study. The ACIM for Dummies Series is an excellent reference tool for those who seek a deeper level of understanding of A Course In Miracles' teachings. The ACIM for Dummies series cuts thorough the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy, forgiveness and unconditional love awaits anyone who is willing to see things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. You no longer have any excuse not to complete these lessons and finish the Course. A special thanks to Jon Mundy who provided the forward for this book.

This is a supplement to the self-study course in miracles, which includes songs and prayers and psychotherapy. The course introduces miracles as naturally occurring expressions of love, and although Christian in language, it is a perennial philosophy, presented in a way which is meaningful for present times.
