The crisis in Syria dates back to the early days of 2011, when peaceful protesters expressed their hopes for political and economic reforms, in the spirit of the so-called Arab Spring that was sweeping the Middle East and North Africa. The situation became violent within a few months.

Refugee Journey: Syria - Global Ministries

Syrian refugees cross from Syria to Turkey by the Orontes river, near the village of Hacipasa, Turkey on Dec. 8, 2012. The dangerous sea and land crossings that Syrian refugees are making to Europe have been well-documented, but less well known are the equally perilous journeys people take to leave Syria itself.

Escaping Syria: The Dangerous Journey From Damascus To ...

According to the UN, there are over 220,000 dead, a third of the population has been displaced internally, and some 3.8 million Syrian refugees languish in refugee camps in neighbouring countries. Many have been forced to make the dangerous journey to Europe in pursuit of a better life. Many have lost their lives. Many escaped death by a whisker.

The journey to Europe: One Syrian refugee's story

Refugees of the Syrian Civil War are citizens and permanent residents of Syria who have fled the country over the course of the Syrian Civil War. The pre-war population of the Syrian Arab Republic was estimated at 22 million (2017), including permanent residents.

Sonita was born in a refugee camp in Pakistan after her family fled Afghanistan during the war in the early 2000s. Unwelcome in Pakistan, her family returns to Afghanistan, where Sonita and her family face new challenges. Interspersed with facts about Afghanistan and its people, this narrative tells a story common to many refugees fleeing the country. Readers will learn about the decades of conflict in Afghanistan and how they can help refugees in their communities and around the world who are struggling to find permanent homes.

Five-year-old Rojs home is bombed during the civil war that has been raging in his homeland of Syria. He and his family are forced to flee the country secretly by boat, and they end up in a camp for refugees in Europe. Interspersed with facts about Syria and its people, this narrative tells a story common to many refugees fleeing the country. The book looks at the efforts being made around the world to assist the millions of refugees. Readers are encouraged to consider how they can help refugees in their communities and around the world.

Prize-winning journalist and the co-author of smash New York Times bestseller I Am Malala, Christina Lamb, now tells the inspiring true story of another remarkable young hero: Nujeen Mustafa, a teenager born with cerebral palsy, whose harrowing journey from war-ravaged Syria to Germany in a wheelchair is a breathtaking tale of fortitude, grit, and hope that lends a face to the greatest humanitarian issue of our time, the Syrian refugee crisis. For millions around the globe, sixteen-year-old Nujeen Mustafa embodies the best of the human spirit. Confined to a wheelchair because of her cerebral palsy and denied formal schooling in Syria because of her illness, Nujeen taught herself English by watching American soap operas. When her small town became the epicenter of the brutal fight between ISIS militants and US-backed Kurdish troops in 2014, she and her family were forced to flee. Despite her physical limitations, Nujeen embarked on the arduous trek to safety and a new life. The grueling sixteen-month odyssey by foot, boat, and bus took her across Turkey and the Mediterranean to Greece, through Macedonia to Serbia and Hungary, and finally, to Germany. Yet, in spite of the tremendous physical hardship she endured, Nujeen's extraordinary optimism never wavered. Refusing to give in to despair or see herself as a passive victim, she kept her head high. As she told a BBC reporter, "You should fight to get what you want in this world." Nujeen's positivity and resolve infuses this unforgettable story of one young woman determined to make a better life for herself. Told by acclaimed British foreign correspondent Christina Lamb, Nujeen is a unique and powerful memoir that gives voice to the Syrian refugee crisis, helping us to understand that the world must change—and offering the inspiration to make that change reality.

Having followed the harsh reality some people face around the world, I have set on a quest to create a fiction novel that portrays the challenging journey of a young family of Syrian refugees trying to escape to Greece. Ana and George, the young parents, are expecting twins and decide to escape to Greece in time for their twins' birth, having no idea about the challenges that await them on their journey.

The refugee crisis that began in 2015 has seen thousands of refugees attempting to reach Europe, principally from Syria. The dangers and difficulties of this journey have been highlighted in the media, as have the political disagreements within Europe over the way to deal with the problem. However, despite the increasing number of women making this journey, there has been little or no analysis of women ' s experiences or of the particular difficulties and dangers they may face. A Gendered Approach to the Syrian Refugee Crisis examines women ' s experience at all stages of forced migration, from the conflict in Syria, to refugee camps in Lebanon or Turkey, on the journey to the European Union and on arrival in an EU member state. The book deals with women ' s experiences, the changing nature of gender relations during forced migration, gendered representations of refugees, and the ways in which EU policies may impact differently on men and women. The book provides a nuanced and complex assessment of the refugee crisis, and shows the importance of analysing differences within the refugee population. Students and scholars of development studies, gender studies, security studies, politics and middle eastern studies will find this book an important guide to the evolving crisis.

"Urgently required reading." —People "Deeply affecting... Fleming brings a moral urgency to the narrative." —The New Yorker "Fleming deftly illustrates the pain of those who choose to leave Syria...and her book is ultimately a story of hope." —Newsweek Adrift in a frigid sea, no land in sight, just debris from the ship's wreckage and floating corpses all around, nineteen-year-old Doaa Al Zamel stays afloat on a small inflatable ring and clutches two little girls—barely toddlers—to her body. The children had been thrust into Doaa's arms by their drowning relatives, all refugees who boarded a dangerously overcrowded ship bound for Italy and a new life. For days as Doaa drifts, she prays for rescue and sings to the babies in her arms. She must stay alive for them. She must not lose hope. A Hope More Powerful Than the Sea chronicles the life of Doaa, a Syrian girl whose life was upended in 2011 by the onset of her country's brutal civil war. Doaa and her fiance, Bassem, decide to flee to Europe to seek safety and an education, but four days after setting sail on a smuggler's dilapidated fishing vessel along with five hundred other refugees, their boat is struck and begins to sink. This is the moment when Doaa's struggle for survival really begins. This emotionally charged, eye-opening true story that represents the millions of unheard voices of refugees who risk everything in a desperate search for the promise of a safe future. In the midst of the most pressing international humanitarian crisis of our time, Melissa Fleming paints a vivid, unforgettable portrait of the triumph of the human spirit.

Since the civil war began in Syria, millions of refugees have fled their country. A little over 1,500 refugees have been resettled in Texas. The Kaabors are one such family who left their home on a cold night in 2013 and two years later made their way to Austin, Texas. The Kaabor family serves as a window to illustrate the many challenges refugees from Syria face and how American cities are responding to the arrival of refugees.

'ONE OF THE FIRST POLITICAL CLASSICS OF THE 21st CENTURY'- Observer 'EXTRAORDINARILY POWERFUL, POIGNANT AND AFFECTING. I WAS GREATLY MOVED' Michael Palin FOREWORD BY CHRISTINA LAMB
Journalist Samar Yazbek was forced into exile by Assad's regime. When the uprising in Syria turned to bloodshed, she was determined to take action and secretly returned several times. The Crossing is her rare, powerful and courageous testament to what she found inside the borders of her homeland. From the first peaceful protests for democracy to the arrival of ISIS, she bears witness to those struggling to survive, to the humanity that can flower amidst annihilation, and why so many are now desperate to flee.

A powerful novel of refugees escaping from war-torn Syria, masterfully told by a journalist who witnessed the crisis firsthand. In a country ripped apart by war, Tareq lives with his big and loving family . . . until the bombs strike. His city is in ruins. His life is destroyed. And those who have survived are left to figure out their uncertain future. Tareq's family knows that to continue to stay alive, they must leave. As they travel as refugees from Syria to Turkey to Greece, facing danger at every turn, Tareq must find the resilience and courage to complete his harrowing journey. While this is one family's story, it is also the timeless tale of the heartbreaking consequences of all wars, all tragedy, narrated by Destiny itself. When you are a refugee, success is outliving your loss. An award-winning author and journalist—and a refugee herself—Atia Abawi captures the hope that spurs people forward against all odds and the love that makes that hope grow. Praise for A Land of Permanent Goodbyes: Featured on NPR's Morning Edition! Featured by Dana Perino ' s on The Five! Featured as a most-anticipated book of 2018 on The Huffington Post! " [A] heartbreaking and to-the-minute timely story of the Syrian refugee crisis. Abawi gives even more humanity, depth, and understanding to the headlines. " —Bustle " From award-winning journalist Abawi comes an unforgettable novel that brings readers face to face with the global refugee crisis . . . A heartbreaking, haunting, and necessary story that offers hope while laying bare the bleakness of the world. " —Kirkus Reviews, starred review " Abawi skillfully places humanity enmeshed in war into two sides: the 'hunters' who feed on the suffering and the 'helpers' who lend a hand. An inspiring, timely, and must-have account about the Syrian refuge disaster and the perils of all wars."—School Library Journal, starred review "[A] gripping and heartrending novel . . . [and an] upsetting yet beautifully rendered portrayal of an ongoing humanitarian crisis."—Publishers Weekly, starred review "As author Atia Abawi artfully illustrates, refugees are created by circumstances that can happen anywhere. A perfect companion novel to Alan Gratz's Refugee, this humanizing, often harrowing and sometimes transcendent novel fosters compassion and understanding."—BookPage, Top Teen Pick " [T]his could be paired with Sepetsy ' s book . . . Salt to the Sea, for a multi-era look at the casualties of war. " —The Bulletin of the Center for Children ' s Books " This is a harrowing and vitally important novel about an ongoing crisis. Tareq ' s story will linger with readers long after they ' ve turned the final page. " —Bookish "A Land of Permanent Goodbyes is an engrossing, heartbreaking story of survival, giving readers an authentic glimpse of the suffering and destruction in Syria."—Voice of Youth Advocates "A well-written, well-researched book."—School Library Connection "This touching read will stir empathy and compassion about the harrowing plight of refugees. Abawi . . . helps give perspective on how religion can be used to help create a world where the most basic human rights are violated."—Booklist

Now in a full-length book, the New York Times Pulitzer Prize –winning graphic story of a refugee family who fled the civil war in Syria to make a new life in America After escaping a Syrian prison, Ibrahim Aldabaan and his family fled the country to seek protection in America. Among the few refugees to receive visas, they finally landed in JFK airport on November 8, 2016, Election Day. The family had reached a safe harbor, but woke up to the world of Donald Trump and a Muslim ban that would sever them from the grandmother, brothers, sisters, and cousins stranded in exile in Jordan. Welcome to the New World tells the Aldabaans ' story. Resettled in Connecticut with little English, few friends, and even less money, the family of seven strive to create something like home. As a blur of language classes, job-training programs, and the fearsome first days of high school (with hijab) give way to normalcy, the Aldabaans are lulled into a sense of security. A white van cruising slowly past the house prompts some unease, which erupts into full terror when the family receives a death threat and is forced to flee and start all over yet again. The America in which the Aldabaans must make their way is by turns kind and ignorant, generous and cruel, uplifting and heartbreaking. Delivered with warmth and intimacy, Welcome to the New World is a wholly original view of the immigrant experience, revealing not only the trials and successes of one family but showing the spirit of a town and a country, for good and bad.
