A social history of leisure since 1600. - CAB Direct

Sociology of leisure or leisure sociology is the study of how humans organize their free time. Leisure includes a broad array of activities, such as sport, tourism, and the playing of games. The sociology of leisure is closely tied to the sociology of work, as each explores a different side of the work-leisure relationship. More recent studies in the field move away from the work-leisure relationship and focus on the relation between leisure and culture. Studies of leisure have determined that o

Leisure has often been defined as a quality of experience or as free time. Free time is time spent away from business, work, job hunting, domestic chores, and education, as well as necessary activities such as eating and sleeping. Situationist International proposes that leisure does not evolve from free time, and free-time is an illusory concept that is rarely fully "free"; economic and social forces appropriate free time from the individual and sell it back to them as the commodity known as "l

The Development of Leisure in Britain after 1850  
After 1850 the Victorian middle class increasingly shaped the idea and practice of leisure as direct responses to its fears of political instability in the form of Chartism and labor unrest and appalling problems of public health.

The Development of Leisure in Britain after 1850

First published in 1986. This book explores developments in the cinema, sport, holidays, gambling, drinking and many more recreational activities, and situates working-class leisure within the determining economic and social context. In particular, the inventiveness of working people "at play" is highlighted.

Workers at Play: A Social and Economic History of Leisure ...

Taking leisure is also an ancient practice. Both Aristotle and Plato discussed the virtues of what can be described as serious leisure. Indeed, it is clear that leisure is as old as humanity. Despite its universality, many people the world over have some trouble recognizing leisure even when they are engaging in it.
