A self-study reference and practice book for advanced students of English, with answers. It covers all the areas of grammar that an advanced-level student needs.

The best-selling English Pronunciation in Use is a comprehensive reference and practice book suitable for self-study or classroom work. Sixty easy-to-use units cover all aspects of pronunciation, including individual sounds, word stress, connected speech and intonation. The versions with audio CDs include audio material in a range of accents, supporting each unit. An additional reference section offers a glossary of specialized terms, help with the pronunciation of numbers and geographical names and fun exercises on phonemic symbols and minimal pairs. The version with CD-ROM provides a wide variety of additional interactive activities to reinforce the pronunciation covered in the book, as well as tests, progress checks, games and animated diagrams of the mouth showing learners how to produce individual sounds. Learners can also record themselves and compare their pronunciation with one of the many models provided.

Comprehensive course focusing on gramamr. Features extra grammar practice exercises for revision, consolidation and extension. With answers. Suitable for self-study, and developing grammar skills.

Advanced Grammar in Use contains 120 units of grammar explanation and practice exercises. It provides coverage of those language areas advanced-level students will find most rewarding to study. It retains the clarity of presentation of other books in the 'in Use' family. Two-page units present grammar explanation and examples, including typical student mistakes, on left-hand pages, and useful and varied practice on right-hand pages. Extra practice exercises at the back provide further challenging and contrastive practice of grammar points from different units. A study guide helps students find those areas most appropriate for their study. Grammar areas are cross-referenced throughout. There are useful appendices dealing with verb forms, and a glossary and all answers are given at the back.
