The classic guide to meeting procedure—updated to meet the needs of today’s organizations For more than 60 years, American Institute of Parliamentarians Standard Code of Parliamentary Procedure (formerly, the Sturgis Standard Code) has been helping meeting organizers and participants ensure fairness and justice on a consistent basis. This updated edition provides important new motions and protocols pertaining to electronic meetings, discipline, and finance and audit committees. “The Standard Code lays out the rules in a clear, concise, and readable format for all to use.” —former U.S. Senator Don Nickles “Meeting rules can be abstruse, even to the point of frustration to the average member in an organization. The Standard Code promises to keep the rules simple and understandable—and has delivered on its promise for more than sixty years.” —Robert Dove, Parliamentarian Emeritus of the United States Senate “Takes uncommon terminology and puts it in everyday terms for more clarity in meetings. The Standard Code is an important addition to any parliamentary library.” —Ronald R. Stinson, NAP President 2009-2011 “The meeting-attendee who picks this book up will not only become proficient in the use of the meeting rules, but will also learn the important democratic principles behind the rules.” —Congressman Mike Simpson (Idaho) “Comprehensive and easily understandable.” —Perry Opim, D.D.S., M.Sc.D., Speaker of the House of Delegates of the Connecticut State Dental Association

This workbook is dedicated to learning the concepts and the rules in "American Institute of Parliamentarians Standard Code of Parliamentary Procedure," commonly referred to as "AIPSC." To understand the concepts and rules in "AIPSC," questions are posed on various concepts and rules. This is done chapter by chapter, and will permit the student of "AIPSC" to readily progress through the book, to locate the key words in the question, to read the relevant paragraphs, to analyze and to understand each concept or rule. In some cases, if the answer to the question is not clear, it may become clearer as the student progresses through subsequent questions. References and answers are also provided at the end of the workbook, but students are urged to do their own research and analysis and to use the references and answers as a last resort.

This book is designed to help the student of parliamentary procedure recognize similarities and differences in two of the most commonly used parliamentary authorities. The question and answer sections of this manual are limited to material pertaining to "American Institute of Parliamentarians Standard Code of Parliamentary Procedure" and "Robert's Rules of Order Newly Revised," 11th edition. The appendix provides a study based on the question section of "Parliamentary Law." If you are using this manual as a study guide in preparation for certification be aware that additional parliamentary authorities will also be included in any AIP certification examination at either the Certified Parliamentarian or Certified Professional Parliamentarian level. You should become familiar with other materials and the charts included in both authorities. Keep in mind that the references included in the materials are only a few of the many references that pertain to the questions asked and should be used as a starting point for further study.

On a popular TV game show, the game board provides the answer and the contestants have to come up with the question. The game board contains five questions in each of six categories; and the three contestants compete against each other to be the first to "buzz in" to provide the question. While the answers in this book all fall into one category, "American Institute of Parliamentarians Standard Code of Parliamentary Procedure," and this list of answers and questions doesn't provide an electronic "buzz in" system, parliamentarians can now join in the fun and try their hand at finding the correct question to parliamentary answers. While this book can't provide you with buzzers and a big answer board, the book does contain lots of answers (along with the "correct" question). The answers and questions can be grouped for playing games like the television show. Another way to use the answers is to transfer them to cards, shuffle the cards, and ask the answers in whatever order they are drawn from the shuffled deck. Whatever way you choose, make it fun! So, contestants, hands on your buzzers and get ready for a fast and fun session of: Here is the Answer! What is the Question?

A comprehensive textbook designed to teach the Fundamentals of Parliamentary Procedure. d104s emphasized include "Robert's Rules of Order Newly Revised," 11th edition, "American Institute of Parliamentarians Standard Code of Parliamentary Procedure," "Demeter's Manual of Parliamentary Law and Procedure," and "Riddick's Rules of Procedure." Divided into 32 lessons by category, the book contains lessons and quizzes to test your knowledge.

Learn the differences between the two most commonly used parliamentary authorities, "Robert's Rules of Order Newly Revised," and "American Institute of Parliamentarians Standard Code of Parliamentary Procedure."

Cannon's handbook on parliamentary procedure is user friendly for the inexperienced and an invaluable guide for the veteran presiding officer. His method for holding effective meetings is based not on the traditional, bewildering accumulation of particulars and exceptions, but on common sense, logic, good communication and fairness all within the bylaws and rules of any organization as well as traditional procedure. A professional parliamentarian since 1965, Hugh Cannon has guided meetings with as few as 30 and as many as 10,000 delegates. Now, with revealing and amusing anecdotes, he puts this extensive practical experience at the service of readers. His Card System,' for communication between a parliamentarian and the Chair, was first introduced in this handbook, and now is presented as a workshop topic at many national conferences for parliamentarians. The section of the handbook devoted only to rules of procedure (A Short Course in Parliamentary Procedure) is a mercifully brief 70 pages, compared to the hundreds of pages in traditional procedure manuals. Yet these pages cover all that will ever come up in most local, state or national meetings. In simple, contemporary language the reader is provided a thorough and complete understanding of the rules of parliamentary procedure.

Discusses the presentation and function of different motions, order of buisness, debate procedures, election of officers, operation of committees, adoption of charters and rules, and rights of members of organizations

"Comparisons" is designed to broaden readers' parliamentary knowledge and to challenge students in their use of parliamentary research. New sections on each specific class of motions, documents of authority, order of business, boards and committees, electronic meetings, methods of voting, including electronic voting, and disciplinary action were added to this second edition. The second edition has been updated with references to the 11th edition of "Robert's Rules of Order Newly Revised (RONR)" and "American Institute of Parliamentarians Standard Code of Parliamentary Procedure (AIPSC)," as well retaining references to "Demeter's Manual of Parliamentary Law and Practice" and "Riddick's Rules of Procedure."
