Batman Vol. 6: Graveyard Shift TP Reviews

Graveyard shift is the sixth volume in Batman New 52 and follows the phenomenal Zero Year story arc (Secret City and Dark City). This one is more similar to the older modern age collected editions where it's new different stories rolled into one, all Batman related though as Graveyard Shift is no crossover arc.

Batman, Volume 6: Graveyard Shift Review | Gotham Archives

Batman TP Vol 6 Graveyard

Batman: Graveyard Shift (Collected) | DC Database | Fandom

Batman Vol 6 Graveyard Shift is essentially a collection of Batman short stories that were released alongside other main events in the Batman line. My 3 stars isn't a critique of the writing and the artwork, it's a criticism of the decision by DC to cram these stories into an incoherent mess just for this volume.
