The year is 3048, Earth is no longer habitable, and man has fled to the stars where they've discovered the secret of immortality-Meridian. Unfortunately, the radioactive mineral is exorbitantly expensive and only available to a select few. A new class comprised of the super rich and immortal...

'Cause sometimes luck ain't enough In the year since the Whisperer's attack, I've been busting my hump to become my best wizard, like my father. Now I'm ready for a test. When a dark mage starts planting infernal bags around New York City, I get my wish. Like time bombs, the bags detonate without warning, spawning demonic beings that rip the souls of innocents from their bodies. And the attacks are accelerating. Meanwhile, a new wizard has come to town. A recent addition to the Order, Pierce is everything I'm not: refined, self-assured, and adept at magic. He even has Detective Vega blushing. If riling my resentment wasn't enough, he's trying to shoulder me out of my own case, stoking my suspicions. With the race to stop the dark mage growing more desperate by the minute, I need to prove that I'm the wizard to get it done- not Pierce. And without relying on my luck quotient. That saying about being careful what you wish for? It's there for a reason. BOOKS IN THE CROFTVERSE Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come! Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage

How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirming coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. Book of Souls is a short prequel that can be read before or after Demon Moon (Prof Croft, Book 1)

If you can't stand the heat... When New York City unveils a program to roast supernaturals, I wonder if I should be sweating. The bloodthirsty Arnaud thinks so, and he's insisting that our survival depends on a wizard-vampire alliance. Never mind his history of wanting me dead. Or undead. Meanwhile, the mayor wants me on his team-an offer that's only slightly less unnerving given our recent clash. So who's really behind the purge? City Hall? The werewolves? Or is it the brainchild of the fae, whose newest advisor to the mayor slipped from my bed and life four months ago? I'm getting the cold feeling someone's trying to manipulate the program, and me, to set off a larger war, one that could explode through the city. One thing's for sure. If I don't get my head straight and my magic on, it's going to be a hell of a summer. Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage (spring 2017) The prequel can be read before or after book 1

If we imagine multiple ways of being together, how might that shift choreographic practices and help us imagine ways groups assemble in more varied ways than just pairing another man with another woman? How might dancing queerly ask us to imagine futures through something other than heterosexuality and reproduction? How does challenging gender binaries always mean thinking about race, thinking about the postcolonial, about ableism? What are the arbitrary rules structuring dance in all its arenas, whether concert and social or commercial and competition, and how do we see those invisible structures and work to disrupt them? Queer Dance brings together artists and scholars in a multi-platformed project-book, accompanying website, and live performance series to ask, "How does dancing queerly progressively challenge us?" The artists and scholars whose writing appears in the book and whose performances and filmed interviews appear online stage a range of genders and sexualities that challenge and destabilize social norms. Engaging with dance making, dance scholarship, queer studies, and other fields, Queer Dance asks how identities, communities, and artmaking and scholarly practices might consider what queer work the body does and can do. There is great power in claiming queerness in the press of bodies touching or in the exceeding of the body best measured in sweat and exhaustion. How does queerness exist in the realm of affect and touch, and what then might we explore about queerness through these pleasurable and complex bodily ways of knowing?

San Quentin State Prison, California ' s oldest prison and the nation ' s largest, is notorious for once holding America ' s most dangerous prisoners. But in 2008, the Bastille-by-the-Bay became a beacon for rehabilitation through the prisoner-run newspaper the San Quentin News. Prison Truth tells the story of how prisoners, many serving life terms, transformed the prison climate from what Johnny Cash called a living hell to an environment that fostered positive change in inmates ' lives. Award-winning journalist William J. Drummond takes us behind bars, introducing us to Arnulfo Garcia, the visionary prisoner who led the revival of the newspaper. Drummond describes how the San Quentin News, after a twenty-year shutdown, was recalled to life under an enlightened warden and the small group of local retired newspaper veterans serving as advisers, which Drummond joined in 2012. Sharing how officials cautiously and often unwittingly allowed the newspaper to tell the stories of the incarcerated, Prison Truth illustrates the power of prison media to humanize the experiences of people inside penitentiary walls and to forge alliances with social justice networks seeking reform.

In a lightless world, only darkness can drive out darkness.My name is Ethan Drake and I'm a police detective...and I got plenty darkness to give.So does my partner, who's a demon, and frankly, a royal pain in my ass. But occult investigators are in short supply in the PD, so what are you going to do? Anyway, we just caught a bodysnatching case that has the stench of occult workings all over it. Seems someone wants to summon something bad into this world, something that threatens the very fate of humanity. I could care less about the fate of humanity myself, but hey, when it's your job, you gotta do something, right?Only my job has been made harder by a demon who's decided it wants me as a vessel, and will stop at nothing until it gets what it wants. Internal affairs are also gunning for my badge over the murder of some guy who deserved it, and on top of that, I'm trying to solve the murders of my ex-wife and daughter. Oh, and don't even get me started on the snarkiest Hellicorn in the known universe...You know that thing threatening all of humanity? I might just let it succeed...Harry Bosch meets John Constantine in this gripping urban fantasy noir thriller.Grab your copy of the first book in the ETHAN DRAKE SERIES now!

A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency, and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance.Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop.Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea?

Traces the history of Britain's involvement in North Africa, explains the reasons for the Sudan's rebellion against Egypt, and recounts Britain's campaign to reclaim the Sudan

I'm Colin McCool, world-class shit magnet and druid apprentice extraordinaire. I survived my final confrontation with the Dark Druid by the skin of my teeth. But that stunt attracted the attention of some extremely nasty gods who now consider me a threat to their very existence... Hashtag FML, amirite? Now, I'm in a race to master the ways of druid magic, all while staying one step ahead of the immortal assassins trying to kill me. Question is, can I wield enough power to protect the people I love from the divine wrath of the gods? Even I doubt my chances. But with a slew of angry demigods on my ass and a friend's life in the balance, I only have one choice--fight or be damned to the dead realm of Tech Duinn, forever. DRUID APPRENTICE A New Adult Urban Fantasy Novel From M.D. Massey Book 9 In The Colin McCool Paranormal Suspense Series You'll love this urban fantasy novel with a twist of suspense, because everybody loves a down on his luck magician who has to fight to save the people he loves. Get your copy today!

The fifth book of this dark urban fantasy series follows necromancer Eric Carter through a world of vengeful gods and goddesses, mysterious murders, and restless ghosts. The Los Angeles Firestorm killed over a hundred thousand people, set in revenge against necromancer Eric Carter for defying the Aztec god Quetzalcoatl. Carter feels every drop of that blood on his hands. But now there's a new problem. Too many ghosts in one spot and the barrier separating them from the living cracks. And when they cross it, they feed off all the life they can get hold of. People die. L.A. suddenly has a lot more ghosts. But it's not just one or two ghosts breaking through: it's dozens. Another mage is pulling them through the cracks and turning them into deadly weapons. Eric follows a trail that takes him through the world of the Chinese Triads, old

associates, old crimes. And a past that he thought he was done with. Carter needs to find out how to get things under control, because if more ghosts break through, there's going to be even more blood on his hands.
