Bluegrass your Fiddle Part 1. This is intended to be an occasional series of articles about the sort of techniques, licks and attitudes that make fiddling sound right for bluegrass. I should state right here that my own tastes extend fairly widely, but centre round the 'classic' 40s - 60s sound of players like Chubby Wise, Tommy Jackson, Gordon Terry, 'Curly' Ray Cline, Joe Meadows, and Ralph Mayo.

Revised edition of A Fiddler's Guide To Moveable Shapes. Posted on December 12, 2019 by John Lawless. A little more than two years ago we reviewed a very clever instructional book for fiddlers, written by Nashville musician John Mailander. Titled A Fiddler's Guide To Moveable Shapes, it conveys information in a succinct fashion that will be highly valuable to any fiddler having difficulties with improvisation, or seeking to gain a more thorough knowledge of the fingerboard.

These are both bluegrass bowings, but they're different bow patterns. The Nashville shuffle is the easier of the two; the Georgia shuffle is much more difficult to master. Playing the Nashville shuffle. The Nashville shuffle, which is often called the simple shuffle, is a very common bow pattern in bluegrass fiddling. This is an important bowing to do properly, as it really gives songs a hoedown feel.
