The fun way to create and maintain personal branding Distinguishing yourself from the competition is important in any facet of business. Creating a clear and concise image, reputation, and status in the professional world provides an edge, whether searching for a first job, exploring a change in career, or looking to be more viable and successful in your current career. Personal Branding For Dummies is a guide through the steps of creating and maintaining a personal trademark by equating self-impression with other people's perception. Personal Branding For Dummies covers everything you need to create your personal branding, including: using different organizations and associations to increase visibility and exposure to both clients and competitors; making the most of networking; tapping into Social Media outlets like Facebook, Twitter, and LinkedIn to showcase a personal brand; building a persona through websites and blogging; evaluating personal style and appearance; using conversation, negotiation, and sales techniques best suited to a personal brand; monitoring your brand reputation and successfully implementing feedback as it grows and develops, and more. Tips on utilizing Social Media to showcase your personal brand How personal branding can help advance your career Guidance on creating a clear and concise image With the hands-on, friendly help of Personal Branding For Dummies, you'll establish a professional presence and personal "brand" identity to keep yourself distinguished in the business world.>

Why do consumers pay a premium for a Dell or Hewlett-Packard laptop, when they could get a generic machine with similar features for a lower price? The answer lies in the power of branding. A brand is not just a logo. It is the image your company creates of itself, from your advertising look to your customer interaction style. It makes a promise for your business, and that promise becomes the sticking point for customer loyalty. And that loyalty and trust is why, so to speak, your laptops sell and your competitors' don't. Whatever your business is, whether it's large or small, global or local, Branding For Dummies gives you the nuts and bolts know-how to create, improve, or maintain a brand. This plain-English guide will help you brand everything from products to services to individuals. It gives you step-by-step advice on assembling a top-notch branding team, positioning your brand, handling advertising and promotion, avoiding blunders, and keeping your brand viable, visible, and healthy. You'll get familiar with branding essentials like: Defining your company's identity Developing logos and taglines Launching your brand marketing plan Managing and protecting your brand Fixing a broken brand Making customers loyal brand champions Filled with easy-to-navigate icons, charts, figures, top ten lists, and humor, Branding For Dummies is the straight-up, jargon-free resource for making your brand stand out from the pack—and for positioning your business to reap the ensuing rewards.

Having your own business isn't the same as having customers, and one is useless without the other. Whether your business is a resale store or a high-tech consulting firm, a law office or a home cleaning service, in today's competitive environment, strategic marketing is essential. Small Business Marketing For Dummies, Second Edition is updated from the original version that won rave reviews and inspired thousands of small businesses on their way to becoming big businesses. Updates include more information on online marketing, a whole new section on getting and keeping customers, new cost-effective, fast-acting ideas for instant impact, and more. The book covers: Marketing basics that prepare you to rev up your business and jumpstart your marketing program Information to help you define your business position and brand Advice on bringing in professionals A quick-reference guide to mass media and a glossary of advertising jargon How-tos for creating print and broadcast ads that work Ideas for getting the word out without advertising, including information on direct mail, brochures, publicity, promotions, and more Ten steps to follow to build your own easy-to-assemble marketing plan With pages of ideas for low-cost, high-impact marketing from author Barbara Findlay Schenck, a marketing consultant with more than 20 years experience with clients ranging from small businesses to Fortune 500 companies, Small Business Marketing For Dummies, Second Edition helps you reach and keep new customers. Whether you're running a home office, a small firm, a family business, a nonprofit organization, or a retail operation, you'll discover how to: Custom design your own marketing program Create effective marketing messages Produce marketing communications that work No matter what field you're in, Small Business Marketing For Dummies, 2nd Edition will help you make your dreams come true. If you buy it, read it, and implement some of the marketing strategies discussed, customers will come.

In an effort to halt increasing media competition and decreasing audience shares, Branding has become the new mantra among television station and network executives. Branding TV: Principles and Practices second edition goes beyond the jargon of branding to explain the essential principles underlying successful branding and offers many practical strategies to measure, build and manage television brand equity. For instructional purposes, the book pays particular attention to the local commercial TV station and its news franchise. Written by broadcast professionals with years of experience, this book shows how the notions of branding are no more prevalent than in the battle for dominance in local news. The practical suggestions in the book will help the savvy manager understand and take advantage of branding in their efforts to move their property to the forefront in the marketplace. * Includes definitions of branding concepts, ways to measure brand equity, and a discussion of legal considerations *Published with the National Association of Broadcasters one of the leading broadcast organizations * Author team has more than 50 years combined experience! * Second edition is fully revised to include transition to digital, ownership consolidation, and the marketing relationship between stations and networks

An introduction to marketing discusses such topics as designing a marketing program, research, advertising, sales, social media, and telemarketing.

Harness the power of marketing and watch your business grow Having your own business isn't the same as having customers, and one is useless without the other. Whether your business is a resale store or a high-tech consulting firm, a law office or a home cleaning service, in today's competitive environment, strategic marketing is essential. If you want your small business to grow, you need a marketing strategy that works. But how do you get people to notice your business without spending a fortune? Packed with savvy tips for low-cost, high-impact campaigns, this friendly guide is your road map to launching a great marketing campaign and taking advantage of the newest technologies and avenues for outreach. Using social media as a marketing tool Communicating with customers Financing a marketing campaign The companion CD includes tools and templates to give you a jump-start on putting your new skills to work If you're looking to give your small business' marketing plan an edge over the competition, Small Business Marketing Kit For Dummies has you covered.
