Boer War begins in South Africa - HISTORY

Relations between the British colony of South Africa and its original Dutch-descended European inhabitants, the Boers, had been worsening throughout the 19th century. The British abolition of slavery in South Africa in 1834 was particularly inflammatory, and many Boers left British lands in what was known as the Great Trek.

Boer War | National Army Museum

Following the British annexation of the Transvaal in 1877, Paul Kruger was a key figure in organizing the resistance which led to conflict with the British. The Boers fought two Boer Wars in the late 19th century to defend their internationally recognised independent countries, the republics of the Transvaal (the Zuid-Afrikaansche Republiek, or ZAR) and the Orange Free State (OFS).

During the Napoleonic Wars, the Cape Colony was annexed by the British and officially became their colony in 1815. Britain encouraged settlers to the Cape, and in particular, sponsored the 1820 Settlers to farm in the disputed area between the colony and the Xhosa in what is now the Eastern Cape. The changing image of the Cape from Dutch to British excluded the Dutch farmers in the area, the Boers who in the 1820s started their Great Trek to the northern areas of modern South Africa. This period

In 1820 the British government relocated a large number of settlers to the new South African colony. The colony now had two distinct groups of European settlers, the British colonials and the Dutch Boers. The British settlers usually resided in the towns and held urban jobs such as in trade and manufacturing.

BBC - History - The Boer Wars

The British are primarily interested in Boer, or Afrikaans agreement to their economic control, not with the lack of black democratic recognition. Despite both black and Indian entreaties, the Union of South Africa is created in 1910, and it effectively bars non-whites (nearly 80% of the estimated six million population) from political representation in their own country.
