Here are the top five things a business owner needs to do to ensure their business accounts are in order. 1. Open a business bank account. If you have a limited company, then you are required by law to have a separate bank account. Even if you run a business as a sole trader, separating your business account from your personal account makes sense.

An Introduction to Business Accounting

"Business Accounting" covers financial and management accounting in a non-technical style that is particularly suitable for non-specialist undergraduate and postgraduate students. The active-learning approach seeks to convey an understanding of the subjectivity inherent in accounting and the ability to evaluate financial information for a range of business purposes.
