## Candlestick Charting

Candlestick Charting Explained  
Workbook: Step-by-Step ...

Candlestick charting has become one of today's most popular technical analysis tools for both individual and professional investors. And it's much easier than you probably think. In fact, creating a candlestick chart demands no more information than traditional charting requires. With candle pattern analysis, the payoff is a deeper look into the minds of investors and a clearer view of supply and demand dynamics.
