Defenders of threatened languages all over the world, from advocates of biodiversity to dedicated defenders of their own cultural authenticity, are often humbled by the dimensity of the task that they are faced with when the weak and the few seek to find a safe-harbour against the ravages of the strong and the many. This book provides both practical case studies and theoretical directions from all five continents and advances thereby the collective pursuit of "reversing language shift" for the greater benefit of cultural democracy everywhere.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

No fewer than 223 verses in Proverbs appear two times (79 sets), three times (15 sets), or even four times (5 sets) in identical or slightly altered form—more than 24% of the book. Heim analyzes all of these, presenting them in delineated Hebrew lines and in English translation. Where appropriate, the translations are followed by textual notes that discuss uncertainties regarding the textual witnesses (textual criticism) and explore lexical, grammatical, and syntactical problems. Heim also analyzes the way the parallelism in each verse of a variant set has been constructed, presenting diagrams and tables with columns that highlight the corresponding similarities and differences among repeated verses. Key to this investigation is the search for links between the variants and their surrounding verses, such as repetitions of sound and sense. Heim shows that most variant repetitions result from skillful poetic creativity. Reconstruction of the editorial and creative poetic process highlights what poets did, how they did it, and why they did it. He develops criteria for determining the direction of borrowing between the verses and demonstrates that the phenomenon of variant repetition is an editorial concern that operates on the level of the book as a whole. He develops and refines a range of interpretive techniques and skills, arrives at fresh interpretations, and shows that ancient proverbial wisdom is relevant to modern societies. This study sheds new light on the nature of biblical poetry and on the methods and virtues best suited for its study. While specific to the book of Proverbs in the first instance, the findings in this study apply to poetry elsewhere. Three fundamental insights should inform future work on poetry: the creative combination of repetition with variation is the very essence of poetry; what has been written with imagination should be read with imagination; imaginative interpretation values the normal features of poetic expression and celebrates the truly unusual.

Celebrate the thirtieth anniversary of the Newbery Honor–winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America’s best-loved novels by PBS’s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother’s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

A beloved classic that captures the powerful bond between man and man’s best friend. Billy has long dreamt of owning not one, but two, dogs. So when he’s finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he’s ecstatic. It doesn’t matter that times are tough; together they’ll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan’s brawn, Little Ann’s brains, and Billy’s sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Praise for *Where the Red Fern Grows* A Top 100 Children’s Novel, School Library Journal’s A Fuse #8 Production A Must-Read for Kids 9 to 14, NPR Winner of Multiple State Awards Over 7 million copies in print! “Very touching.” —The New York Times Book Review “One of the great classics of children’s literature . . . Any child who doesn’t get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years.” —Common Sense Media “An exciting tale of love and adventure you’ll never forget.” —School Library Journal “A book of unadorned naturalness.” —Kirkus Reviews “Written with so much feeling and sentiment that adults as well as children are drawn [in] with a passion.” —Arizona Daily Star “It’s a story about a young boy and his two hunting dogs and . . . I can’t even go on without getting a little misty.” —The Huffington Post “We tear up just thinking about it.” —Time on the film adaptation

“This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives.”—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.
