Concept-Rich Mathematics Instruction: Building a Strong ...

Concept-Rich Mathematics Instruction is The answer lies in whether students have actually learned mathematical concepts, rather than merely memorizing facts and formulas. Concept-Rich Mathematics Instruction is based on the constructivist view that concepts are not simply facts to be memorized and later recalled, but rather knowledge that learners develop through an active process of adapting ...

Concept-Rich Mathematics Instruction: Building a Strong ...

ERIC - ED494296 - Concept-Rich Mathematics Instruction: Building a Strong Foundation for Reasoning and Problem Solving, Association for Supervision and Curriculum Development, 2006. Fact-filled textbooks that stress memorization and drilling are not very good for teaching students how to think mathematically and solve problems. But this is a book that comes to the rescue with an instructional approach that helps students in every grade level truly understand math concepts so they can apply ...
