Kindness, his innovation, his endless optimism, and his sense of humor. Not to mention the fantasies she has about him day and night. But shy, gentle Anna wouldn't dream of approaching him with her desires. She has convinced herself that he could never be interested in her, but takes every opportunity she can to be with him. On Christmas Eve, she gladly goes with him on a visit to a Catskills farmhouse that his company just completed rebuilding. There, they plan to tour the place, finish up with the construction team, and have a nice dinner with one of Henry's friends. Henry left off dating a few years ago after a horrible breakup led to his being stalked by his ex. He claims to be "picky", leaving Anna to feel that she has no chance. But when Henry's dour but attractive foreman, James Thompson, flirts with Anna openly in front of him, Henry reacts with obvious jealousy. Unfortunately this leads to his ignoring James when the man tries to warn him that a powerful snowstorm is bearing down on them. Later that night, before the pair can leave, the snowstorm hits, trapping them inside the farmhouse with only a few supplies. They have two days before they run out of the means to heat the farmhouse in the freezing weather. In the deepening cold, they share a bed for warmth...and Anna's longing catches fire when she finds herself in Henry's sleepy embrace.

Robert is sick of his father telling him what to do and who to date. When he leaves for college, he promises himself that he's finally going to have some fun. That is, until he meets Sarah. I've always thought I was just plain invisible to men—until one unforgettable night makes me discover I'm not. And one equally life-changing contract makes me see how much more I've yet to discover about myself. My boss Beckett is the quietly deep, devastatingly handsome billionaire I've always wanted from afar, but never once imagined I could have. His friend Jace is the playfully dirty-talking, but no less intense celebrity bachelor I never thought I'd want, with a secret life I'm still wrapping my head around. They both have dark pasts I want to help heal. They both want me to be a part of their future. All I have to do...is sign the contract. It's one thing to live the life you've always dreamed, but secrets have a way of ruining everything. Growing up rough has made Eli into the man (and wolf) he's always wanted to be. After a life on the streets in the hardest parts of the city, Eli's road to a place of respect in the community has been a rocky one, but one that he's proud of. Opening Wild Hearts Community Center with his best friend Hunter gave Eli a sense of purpose, and creating a space for youth growing up the same way he did has helped him carve out a slice of territory in the city and shelters the pack he calls family. But what makes it all worthwhile, is having Hunter by his side. But what Hunter doesn't know, is that beneath years of friendship and camaraderie, Eli is hiding from something that could tear everything they've worked so hard to achieve to pieces. Unaware of his friend's deeply held secrets, Hunter is trying to live his own life, not knowing that every move he makes is breaking Eli's heart. Can Eli risk losing Hunter, and everything they've built together, or will he be strong enough to face his fears and reveal his heart. Either way, he'll have to defend everything he's built and hope that his heart won't be trampled along with his dreams. An Alpha's Heart is a
