Keyboarding

Like the Championship Keyboarding Drills spiral bound book by "Cortez Peters" because it is very thorough and it teaches you how to type. I like the way the book stands up on its own, without needing a stand. It a great book for beginner,

*Page 25/36*

Version

Download File

PDF Cortez

intermediate, and advanced typing. I would recommend it to all that want to type. There was no CD with the book.
