Interrogation and Confession. Interrogation rooms remain some of the most secretive locations in the United States legal system. Police undertake interrogation to discover the truth about a crime. Police, along with society at large, want guilty people to confess and innocent people to resist. The stakes are particularly high because a confession is even more powerful than eyewitness testimony in a criminal trial (Kassin & Gudjonsson, 2004).

The Reid technique is the basis of the widely used "Criminal Interrogation and Confessions" manual we already mentioned. It lays out nine steps or issues guiding interrogation. Many of these steps overlap, and there is no such thing as a "typical" interrogation; but the Reid technique provides a blueprint of how a successful interrogation might unfold.
