The massage licensing exam is expensive, you need to pass the first time. "The Essential Review Guide for Passing the MBLEx Licensing Exam: 2016 Edition" (yes, it's a long title) has all the information you need to pass the MBLEx with ease. Test questions and answers, medical terms & pathology guides, crossword puzzle review (to break up the monotony of studying) and more. The first section is comprised of test questions and answers. Each topic is broken down into separate chapters, ending with an easy to follow answer key. All questions are multiple choice with four answers to choose from. The second section is the pathology & medical terminology review. Pathologies are separated into sections of the body. Each condition is explained with a definition & signs/symptoms. The medical terminology guide includes prefixes, suffixes, root words, definitions & examples. The third section is the massage therapy quick review sheet, which provides helpful information and facts. Also included is the crossword puzzle review. A unique and fun way to study. Includes subjects such as: The Skeletal System, The Muscles, Joints, Business Basics, The Digestive System, History of Massage, The Respiratory System, Massage Fundamentals and More! The flashcard section completes the book.

Building medical terms is much like piecing together a puzzle of prefixes, suffixes and combining forms. In the same way, human anatomy is an intricate puzzle of body parts, interlocking with each other to form a complex set of systems. Unlocking Medical Terminology embraces these analogies, as it guides users through the assembly of medical terms in a FUN, engaging, and interactive way. This resource provides interesting and engaging applications presented in an interactive, self-study format to increase

Using a programmed learning format, this user-friendly, four-color book allows students to learn medical terminology at their own pace. The material is divided into small, easy-to-read units called frames. Each frame ends with a fill-in sentence or question that tests readers' understanding of the frame's content. The text begins with the basic components of medical terminology -- suffixes, prefixes, word roots, and combining forms -- and presents the material according to the major body systems.

Medical Terminology Crossword Puzzles, Volume 1, is designed to help sharpen skills and facilitate learning for students in the healthcare field. It is divided into principal areas of study and each puzzle is organized to focus on main terms associated with each area of concentration.
