Our goal for this house was to design it in a way that would feel soothing when you walked in, with pops of neutrals like olive green and heather grey against the beige color scheme, as opposed to primary and neon colors. Katie's color choices helped to make the house feel cohesive and warm, with classic shades I can't imagine ever getting sick ...

It's a tiny L-shaped space which had been painted in a two-tone palette, featuring an eclectic sink and a beaded light fixture. I knew I wanted to wallpaper the room and though we considered going with something subtle, I couldn't be happier with the Ellie Cashman design we ended up using. Her wallpapers look like beautiful oil paintings and ...
