In Respawn Colin Milburn examines the connections between video games, hacking, and science fiction that galvanize technological activism and technological communities. Discussing a wide range of games, from Portal and Final Fantasy VII to Super Mario Sunshine and Shadow of the Colossus, Milburn illustrates how they impact the lives of gamers and non-gamers alike. They also serve as resources for

No one in the Valiant Universe is more dangerous or more experienced in the art of war than the undying Eternal Warrior. After thousands of years on the battlefield, he's a master of strategy and weaponry, an unrelenting force of nature capable of dismantling entire armies with little effort and less conscience. His brother Armstrong, on the other hand, likes to read poetry and drink beer. Maybe that's why they had such a bad falling out? But now – after years apart – the Eternal Warrior has a
