~~Democracy in California: Politics and Government in the~~

Direct democracy is the term we in government use to describe the ability of the voters to take matters into their own hands. In other words, it is the ability of the voters to enact or repeal laws, or recall elected officials. California is one of two dozen states that gives voters these checks on elected officials.

~~Direct Democracy in California: History and Functions~~

Today, California is widely understood to be a solidly Democratic state. All statewide elected officials are Democrats, including both United States senators and the governor. No Republican has been elected statewide since 2006.

California's Direct Democracy. The United States has a representative democracy. This means citizens vote for people to represent, or speak for, them. California has a representative democracy, too. Californians vote for their governor, senators, and representatives. These elected officials create, uphold, and interpret California laws.

~~California's Direct Democracy — eduplace.com~~

California has a hybrid system of government; it has elements of representative democracy and direct democracy What is Direct Democracy? A government in which citizen rule directly and make government decisions for themselves What is Representative Democracy?

~~Best California's Direct Democracy Flashcards | Quizlet~~

Janiskee and Masugi in turn seek to rescue California politics (but not many of its leading politicians)from the academic dead end to which years of pseudo-scientific approaches have relegated it. "Democracy in California" makes the study of California government and politics a much more serious and rewarding enterprise than it has been for many years and will be, if this book is widely adopted, for many more.

~~Democracy in California: Government and Politics in the~~

What we might call the first branch of California government is the people's power to govern themselves through the instruments of direct democracy. Article II of the state constitution affirms this view: "All political power is inherent in the people... and they have the right to alter or reform it when the public good may require."
