2000 Chevy Astro Van Drivers Window Regulator Replacement ...

Many engine issues may be due to wear and tear accumulated over the high mileage of most used Astros, as the model went out of production in 2005. However, owners of Astros built from 1999 through 2001 report this problem more frequently than owners of other model years. Transmission failures are not as common as engine issues, but they can be significantly more expensive to address, as the only fix for these problems is often a new transmission.
