☐George could not go another step. "We will stop at the next creek and wait for morning," he ordered his Indian guide, who was fifteen or twenty paces ahead of him. The Indian made no reply and kept walking. They broke out of the trees and began to cross a meadow. It was quite light because of...

Based on George Washington's own journal, *Duel in the wilderness* tells the true story of his journey in 1753-1754 into the Ohio country.

By the time Anna Howard Shaw was barely twelve years old, she had crossed the stormy Atlantic (one and a half times), survived a grueling journey from Massachusetts to the unexplored woods of Michigan, and helped create a house and home in the middle of nowhere. By most measures, Anna Howard Shaw's life was hard and filled with struggle. But a life in the North American wilderness also had many pleasures. Anna was young, happy, and strong. What Anna didn't have was school. With incredible fortitude and purpose, not only did Anna go on to teach school herself, she also accomplished a great many other things, including helping to win the right to vote for women. With his magical storytelling and radiant artwork, Don Brown welcomes us into the pioneer life of a most extraordinary woman.

The last natural cowboy and the last natural bear duel in the wilderness of Yellowstone - each of them hungry for a death with meaning.

Excerpt from *The Wild Huntress, or Love in the Wilderness* A Word about Mormon Monsters, Another Duel determined on, A Departure in a Dug-out, ' A Dangerous Sweetheart, The Horologe of the Dead Horse, A Look-out from Aloft. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. To fulfill their father's dying wish, teenage Countess Meliara and her brother Branaric organize a revolution against a greedy king.

Recounts skirmishes and major campaigns by a soldier who enlisted at age fifteen and served seven years with Washington's Continental Army

Skye Fargo is "The Trailsman", a searcher, scout, hunter, the man who could see where others only looked. His skills are for hire, but not his soul. Skye Fargo is a seeker who can take the wilderness of a land and make it his own. While scouting out territory for a trapper friend, Fargo gets caught between a gang of blood-thirsty Mexican scalp-hunters and a band of vengeful Apaches. And the only way out is to shoot fast -- and first.

"Treasure, financial hardship, and pirate mystique [sic] all add to a cleverly woven tale of uncommon honor in the face of insidious treachery that stretches from the days of cutlasses and muskets to our own."--Page 4 of cover.

Theodosia Burr Alston was born the daughter of political figure Aaron Burr when the United States was in its infancy. She was a prodigious child, living a privileged life in Manhattan during a captivating period in U.S. history, and acquiring, at her father's insistence, "a most perfect education." As the young country wrestled with conflict and strife, Theodosia's life often seemed to mirror its turbulence. Her unexpected marriage startled the political world. Her struggle to adjust to the difficult and unaccustomed responsibilities as mistress of a rice plantation in South Carolina was monumental. She was the centerpiece in the lives of two very powerful men, which resulted in a painful stretch of her loyalties and caused her great inner turmoil and pain. Theodosia's story is fascinating in its complexity. An impressive woman in her own right, she was destined for greatness through her personal and political connections. The unexpected conclusion of Theodosia's story will inspire readers to learn more about this intriguing woman.

Novel, based partly on fact, of the Japanese occupation of Attu in the Aleutians during World War II, and a group of Japanese geurillas dropped into remote Alaska.
