An introduction to the concepts and principles that govern the world of

Acces PDF Employment Law An Introduction

work.Labour Law is an introductory, principles textbook into the world of work in Australia. It offers a concise, thematic structure to understanding the relationships under which people perform work in a contemporary society.Written specifically to suit a one-semester subject, this book aims to develop students' critical understanding of labour law regulation in a social and economic context. It takes the unique approach of explaining the underlying broad themes of labour and employment law. Rather than focusing on the constantly changing technical details of labour law, it provides

Acces PDF Employment Law An Introduction

students with a solid conceptual framework they can take into practice and apply to future labour laws as they arise. Key Features: A unique focus on the concepts and themes of labour law, rather than the technical and historical detail. Abstracts at the start of each chapter aid student learning by providing a summary of the key messages. Case extracts and reading recommendations support further learning and development. Discussion questions at the end of each chapter encourage critical reflection on the adequacy of labour laws, and proposals for reform.

Acces PDF Employment Law An Introduction

"An Introduction to Labor and Employment Discrimination Law is not an attempt to teach law to undergraduates, but rather to introduce them to legal reasoning. The principal means to this end are cases that present competing arguments (e.g., in majority and dissenting opinions) on major issues. Each case is preceded by the author's introduction and followed by the author's comments and questions. Chapter 1 focuses on labor law in the Nineteenth and early Twentieth Centuries, i.e., before the National Labor Relations Act of 1935. Chapter

Acces PDF Employment Law An Introduction

2 surveys modern labor law under the Labor Act, covering such topics as representation and unfair labor practices. Chapter 3 is a brief introduction to the law of employment discrimination under the Equal Pay Act, Title VII of the Civil Rights Act of 1964, and Americans With Disabilities Act. The book is accompanied by an appendix that contains a glossary of legal terms plus excerpts from the Constitution and relevant federal statutes" --Textbook Web page.

Acces PDF Employment Law An Introduction

The most accessible and concise law textbook available for undergraduate and postgraduate students studying law for the first time.

Employment law is a matter of increasing importance for managers and human resource professionals. Approaching the subject from a human resources rather than a law perspective, this book aims to inform about the context in which employment law is enacted and promotes understanding of: the application of the law to HRM, the social purposes behind the legislation, and the contextual issues that affect the

Acces PDF Employment Law An Introduction

implementation of the law.

This new edition of An Introduction to the Law of Employment Discrimination summarizes the federal laws that prohibit employment discrimination on the basis of race, sex, religion, national origin, age, and disability. Several major statutes, including Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, Title I of the Americans with Disabilities Act, and the Equal Pay Act, protect American workers from discrimination. In this handy reference guide, Michael Evan Gold discusses

Acces PDF Employment Law An Introduction

complex legislation in lucid, understandable terms. In his discussion of each statute, the author provides such information as: * who is protected by the statute; * who must obey the statute; * principal definitions of discrimination together with numerous examples; * ways of proving discrimination; * reasonable accommodation; * defenses to discrimination; * retaliation; * remedies; and * procedures for bringing a claim.

This textbook is aimed at helping those with day-to-day responsibilities for employee relations and human resource management to

manage within the law.

Employment Law in Context combines extracts from leading cases and articles with insightful and sophisticated author commentary to provide the reader with a full, critical understanding of employment law. As well as providing a thorough grounding in individual labour law, and drawing attention to key and current areas of debate, this title offers the reader detailed analysis of the social, economic, political, and historical context in which employment law operates. An innovative running case study

Acces PDF Employment Law An Introduction

contextualizes employment law and demonstrates its practical applications by following the life-cycle of a company from incorporation, through expansion, to liquidation. Reflection points and examples encourage the development of critical thinking skills and students' ability to view the issues practically. The text is supported by an Online Resource Centre hosting: - four supplementary chapters on collective employment law to facilitate a broader understanding of the subject - additional reading lists to accompany topics signposted in each chapter and annotated web links to

Acces PDF Employment Law An Introduction

key online resources to direct further research - a flashcard glossary helps students test their understanding of terms highlighted and defined in the book - twice-yearly updates to the law are provided by the author to keep students abreast of the latest developments - PowerPoint slides and figures from the book are available to lecturers
