### Prestigious STEM Competitions for High School Students

Posted February 12, 2019 by

Joshua neubert. Each year,

thousands and thousands of

students challenge themselves in

science, technology, engineering,

and mathematics (STEM)

academic competitions. And each

year it seems that more and more

student competitions are coming

out in science, technology,

engineering, and math, but also

writing, literature, critical

thinking, problem solving, debate,

and many other fields.
