I found Jenna Bush Hager’s book EVERYTHING BEAUTIFUL IN ITS TIME to be such a heartfelt tribute to her grandparents and others who have shaped her. This is a tender book of letters, reflections, memories, and lessons learned. It’s about life, family, and motherhood; what we learn from those who come before us, and those who come alongside us.

In God’s perfect timing, He only acts when it is optimal for what He wants to accomplish in His kingdom. In His omniscience, the Lord sees everything that is going on in the world in any given moment of time—which involves trillions of details that only the Spirit of God can fully grasp. In the book of Ecclesiastes, King Solomon says, “He [God] has made everything beautiful in its time” ( Ecclesiastes 3:11 ).

Jenna Bush Hager, the former first daughter and granddaughter, #1 New York Times bestselling author, and coanchor of the Today show, shares moving, funny stories about her beloved grandparents and the wisdom they passed on that has shaped her life. To the world, George and Barbara Bush were America’s powerful president and influential first lady. To Jenna Bush Hager, they were her beloved Gampy and Ganny, who taught her about respect, humility, kindness, and living a life of passion and meaning—timeless lessons that continue to guide her. In Midland, Texas, Jenna’s maternal grandparents, Harold and Jenna Welch—Pa and Gramme—a home builder and homemaker, lived a quieter life outside the national spotlight. Yet their influence was no less indelible to their granddaughter. Throughout Jenna’s childhood and adolescence, the Welchs taught her the name of every star in the sky, the way a dove uses her voice—teaching her to appreciate the beauty in the smallest things. Now the mother of three young children, Jenna pays homage to her grandparents in this collection of heartwarming, intimate personal essays. Filled with love, laughter, and unforgettable stories, Everything Beautiful in Its Time captures the joyous and bittersweet nature of life itself. Jenna reflects on the single year in which she and her family lost Barbara and George H. W. Bush, and Jenna Welch. With the light, self-deprecating charm of the bestselling Sisters First—coweriten with her twin sister, Barbara—Jenna reveals how they navigated this difficult period with grace, faith, and nostalgic humor, uplified by their grandparents’ sage advice and incomparable spirits. In this moving book, Jenna remembers the past, cherishes the present, and prepares for the future—providing a wealth of anecdotes and lessons for her own children and all of us. Poignant and humorous, intimate and sincere, Everything Beautiful in Its Time is a warm and wonderful celebration of the enduring power of family and an exploration of the things that truly matter most. “As long as I’m alive, my grandparents will not be forgotten. . . . I hear their voices in the letters they sent me and in my memories. They offer comfort, support, and guidance, and I will listen to them always.”

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Time is what our lives are made of. Failure to use it properly is disastrous. Yet most books on time management don't work because they take little account of human psychology or the unexpected. This book, written for everyone who has to juggle different demands in a busy schedule, includes lots of help and advice in finding a system that works effectively and leads to more enjoyment of work and leisure. 'I left Mark Forster's time management workshop a changed woman. Yesterday I used his system for a whole day. It was stress-free and fun. I felt energised and satisfied at the end of it.' Sarah Litvinoff

The fruit of her determined prayer for a way to give her spirit time to catch up, this pithy reflection on the qualities of time will introduce highly respected biblical scholar, professor, pastor, widow, friend, and author Bonnie Thurston to a wider audience - everyone who is time-pressed and deadline pressured. The news is good: Time is the creation of a generous God who always provides not only the bare essentials, but usually a feast. As the writer of Ecclesiastes mused: For everything there is a season, and a time for every matter under heaven. It is with her trust in this abundance that Thurston explores the mystery of time and the rediscovery of the Judeo-Christian understanding of time as God's sacred and bountiful gift. She looks at time from both a historical and a theological perspective; she studies seasons as measured by the liturgical cycle, the monastic day, the jubilee year, and the Sabbath; and she ponders the meaning of time participles - familiar phrases such as finding time, making time, spending time, and marking time. With her encouragement, the reader will discover that there is enough time - if we redeem the time by reclaiming the Sabbath, the time built into the rhythm of creation by God for rest and re-creation. 'To Everything a Season' offers reflection exercises to help us understand both how we think about and how we use time, as well as suggestions for ways of making Sabbath in the midst of our own crowded lives. The result is an invitation and a recipe for living in the present moment, in God's eternal Now.
