doing so, he argued that society was not a living thing, but rather

Exploring Sociology is a "students first" resource written with millennial students in mind, and with their help. Bruce Ravelli and Michelle Webber, the authors of Exploring Sociology, believe that theory provides the foundation for sociology and that students need to explore both classical and modern theory to grasp the sociological endeavour fully. Accordingly, this text provides the most comprehensive overview of classical and modern social theories of any textbook. This is the first mainstream introductory sociology text to devote an entire chapter to contemporary theory, and the first to integrate postmodern and post-structural theoretical insights meaningfully throughout the book. The authors inspire students to think sociologically, to engage their sociological imaginations, and to foster an appreciation for how social factors such as income level, gender, and minority status influence who they are and the people they become. Through its distinctive approach to the field, its readability, and its relevance to Canadian students' lives, Exploring Sociology: A Canadian Perspective supports professors in developing their students' sociological imaginations and encouraging them to see sociology from multiple perspectives. Rarely does the student, the person who uses the textbook and technology, participate in the writing and development process. For the second edition of Exploring Sociology, students had an opportunity to offer feedback and to have 'their say'. Students offered their suggestions for improvement through anonymous online surveys, manuscript reviews, and in-class evaluations. The authors addressed students' comments with respect to the presentation of theory and the pedagogical features. MySocLab is not included with the purchase of this product. Important Notice: The digital edition of this book is missing some of the images found in the physical edition.

Written with students in mind, *Exploring Sociology: A Canadian Perspective* is truly a "students first" resource. Revised to reflect student feedback and input, the second edition is even more accessible, inspiring, and relevant. With the intent of helping you succeed in sociology courses, and in life, the authors have provided you with the tools to help you think like a sociologist.

Think like a sociologist! *Exploring Sociology: The Concise Edition* is truly a "students-first" resource. Written with students in mind, Authors Bruce Ravelli and Michelle Webber inspire students to think sociologically and to engage their sociological imaginations to foster an appreciation for how social factors such as income level, gender, and minority status influence who they are and the people they become. Through its distinctive approach to the field, its readability, and its relevance to students' lives, *Exploring Sociology: The Concise Edition* helps professors to develop the sociological imagination in their students by encouraging them to see sociology from multiple perspectives.

*Introduction to Sociology 2e* adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their

# File Type PDF Exploring Sociology A Canadian Perspective

knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones
