One of the better-known women of the French Reformation, Jeanne d'Albret was the daughter of Marguerite de Navarre, and the mother of the future king of France, Henry IV. Jeanne was strong-willed and stubborn from childhood, qualities which prepared her well to become an unflinching leader in the Huguenot wars.

May NOT include discs, access code or other supplemental materials.

THE wives of the Reformers are an interesting study. They receive greatness from their husbands, and impart gentleness and beauty in return. What would Luther have been without his Kathe? And Zwingli's wife is a helpmeet to him. The women of the Reformed Church have been an important element in her history. Just as Deborah and Esther, with the Marys of the New Testament, aided in making up Bible history, so the women of the Reformed Church have helped to make her history great. Amply illustrated.

An updated text based on James I. Good's Famous women of the Reformed Church.

Women and the Reformation gathers historical materials and personal accounts to provide a comprehensive and accessible look at the status and contributions of women as leaders in the 16th century Protestant world. Explores the new and expanded role as core participants in Christian life that women experienced during the Reformation Examines diverse individual stories from women of the times, ranging from biographical sketches of the ex-nun Katharina von Bora Luther and Queen Jeanne d'Albret, to the prophetess Ursula Jost and the learned Olimpia Fulvia Morata Brings together social history and theology to provide a groundbreaking volume on the theological effects that these women had on Christian life and spirituality Accompanied by a website at www.blackwellpublishing.com/stjerna offering student's access to the writings by the women featured in the book

Women are an essential element in church history. Just as Deborah, Esther, and the New Testament Marys helped shape Bible history, so the women of the Reformed church have helped to make its history great. In Reformation Women , Rebecca Vandoodewaard introduces readers to twelve sixteenth-century women who are not as well known today as contemporaries like Katie Luther and Lady Jane Grey. Providing an example to Christians today of strong service to Christ and His church, these influential, godly women were devoted to Reformation truth, in many cases provided support for their husbands, practiced hospitality, and stewarded their intellectual abilities. Their strength and bravery will inspire you, and your understanding of church history will become richer as you learn how God used them to further the Reformation through their work and influence. Table of Contents: Anna Reinhard Anna Adilschweiler Katharina Schutz Margarethe Blaurer Marguerite de Navarre Jeanne d'Albret Charlotte Arbaleste Charlotte de Bourbon Louise de Coligny Catherine Willoughby Renee of Ferrara Olympia Morata
