Balanced Flue High Efficiency Gas Fires (Up to 94% Efficient)
Balanced flue gas fires come with their own flue system which goes out directly through an external wall, filtering away any harmful gases. They draw in cold air from the room as with most other fires, but they also pull it in from outside, increasing the airflow into the fire.

Love as violence, love as a curse, love as redemption, as suffering, as wisdom, as innocence, as delusion — each story takes place on the night of 19 March 1929 and a character tries to understand or express love from his or her perspective: as dancer, lawyer, astronomer, mathematician, artist, actor, doctor, mirror-maker. This book, inhabited by real and imagined characters at the mid point between the two world wars, was an early landmark in a career that includes the controversial novel *Borderliners* and perhaps the most attractive thriller of the decade, *Miss Smilla 's Feeling for Snow*.

A delightfully squirmy story starring Harry the Poisonous Centipede in
