The Focus On Series is a semester-long unit study that encourages kids to 'focus on' one subject at a time. This series is offered for an age range of either elementary, middle school, or high school.\* The Focus On Series is based on a "block" teaching method, where focused learning is condensed to a shorter "block" of time. It was purposed for those parents and teachers wanting a solid introductory level science course who also want to sequence their own science program.
