A tort, in common law jurisdiction, is a civil wrong (other than breach of contract) that causes a claimant to suffer loss or harm, resulting in legal liability for the person who commits the tortious act. It can include intentional infliction of emotional distress, negligence, financial losses, injuries, invasion of privacy, and many other things.

Tort - Wikipedia

The Tort of Negligence is a legal wrong that is suffered by someone at the hands of another who fails to take proper care to avoid what a reasonable person would regard as a foreseeable risk. In many cases there will be a contractual relationship (express or implied) between the parties involved, such as that of doctor and patient, employer and employee, bank and customer, and until relatively ...
