You've forgiven a thousand times. You've bent over backwards to make your partner feel loved and accepted. But the only reward for your loyalty has been anger, indifference, infidelity, or abuse. Your spouse may even be ready to walk out the door. Do you feel like all is lost? Are you ready to give up? There IS still hope. Dr. James Dobson's "tough love" principles have proven to be uniquely valuable and effective. Unlike most approaches to marriage crisis, the strategy in this groundbreaking classic does not require the willing cooperation of both spouses. Love Must Be Tough offers the guidance that gives you the best chance of rekindling romance, renewing your relationship, and drawing your partner back into your arms.

Dr. Dobson's suggestions for marital happiness are interesting, practical, and humorous.

Supplies guidance on techniques for avoiding divorce by transforming a deteriorating marriage into a healthy, loving, and respectful relationship.

Families worldwide seek the godly guidance of respected counselor and internationally recognized radio host Dr. James Dobson. Now in this helpful collection, families young and old have quick access to Dr. Dobson's advice and wisdom to nurture their marriages and children with love, grace, and biblical preparedness. Through engaging stories and relatable examples, Dr. Dobson helps readers: make family time a priority deal with job and financial pressures forgive and love unconditionally successfully maneuver the tween and teen years share God's love and truths by example This collection of Dr. Dobson's sought-after expertise and encouraging insights will be referred to many times as families seek leading in vital topics including adolescence, money, marriage, discipline, and much more.

Compiles three previously published works that discuss the author's approach to parenting, strategies for disciplining difficult children, and tips for dealing with the problems that children face.

Everybody wants to fall in love, but so many relationships end in heartbreak instead of happily-ever-after. Now one of the nation's most trusted voices on family relationships, Dr. James Dobson, offers this practical guide to love—what it is and what it isn't—for couples and dating singles. First and foremost, Dr. Dobson wants everyone who is looking for love to understand the myth vs. the reality of emotions, and Head Over Heels includes the one-of-a-kind "What Do You Believe About Love? Quiz" to help readers separate fact from fiction. With gentle frankness, he discusses the joy and beauty of sex in marriage as well as the destruction and heartbreak that sex outside of marriage inevitably brings to hearts, minds and bodies. Also included is a learning/discussion section with questions and Scripture references for personal or group study, plus a poignant, heart-warming letter from Dr. Dobson to his beloved wife, Shirley.

A reference source for concerned parents covers issues of discipline, schooling, finances, sibling rivalry, and the dreaded teen years, among other important topics. Original.

Provides advice for Christian parents on the true meaning of femininity, how to cope with the challenges involved in raising girls, and how to bring up their daughters to be happy, healthy, and God-fearing.

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient,
