Feudalism Books - Goodreads

Feudal Society provides some examples, one of which can be found in twelfth century Flanders, where a noble lady's husband and two children were killed by enemies. An ensuing blood-feud spread throughout the countryside and a saintly Bishop named Arnulf of Soissons came to preach reconciliation – but the widow refused to listen to him and raised their drawbridge to avoid talking to him.

Amazon.co.uk: Feudalism:
Books

Feudalism, also known as the feudal system, was a combination of the legal, economic, military, and cultural customs that flourished in Medieval Europe between the 9th and 15th centuries. Broadly defined, it was a way of structuring society around relationships that were derived from the holding of land in exchange for service or labor.
