Revised edition of Fundamentals of investing. [2017]

Comprehensive, yet concise, this updated and expanded edition of Orthopedic Secrets uses the familiar question-and-answer format of the Secrets Series. It covers virtually every area of orthopaedics in its approximately 100 chapters and should be useful for clinicians as a refresher or for students as a review for oral exams. Ten sections divide material into general topics, congenital and developmental disorders, and specific anatomic regions.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.
