Gods and Kings: The Rise and Fall of Alexander McQueen and ...

In the first decade of the 21st century, the fashion world was dominated by two very different but equally successful - and turbulent - figures. But then, within 12 months, Alexander McQueen had committed suicide, and John Galliano's career had unravelled in public after he was arrested for an anti-Semitic tirade at a Paris bar. Dana Thomas uses the story of these two charismatic figures to ...

Gods and Kings: The Rise and Fall of Alexander McQueen and ...

In Gods and Kings Dana Thomas, author of Deluxe, tells the story of how John Galliano and Alexander McQueen changed the face of fashion. In the first decade of the 21st century the fashion world was dominated by two different but equally successful and turbulent figures. Within twelve months, Alexander McQueen had committed suicide, and John Galliano had professionally imploded.

Analyzes the ends of two preeminent fashion designers to demonstrate how they were casualties of the war between art and commerce, chronicling their rise and achievements while sharing insights into how art has suffered at the hands of economic demands.

More than two decades ago, John Galliano and Alexander McQueen arrived on the fashions scene when the business was in an artistic and economic rut. Both wanted to revolutionize fashion in a way no one had in decades. They shook the establishment out of its bourgeois, minimalist stupor with daring, sexy designs. They turned out landmark collections in mesmerizing, theatrical shows that retailers and critics still gush about and designers continue to reference. Their approach to fashion was wildly different—Galliano began as an illustrator, McQueen as a Savile Row tailor. Galliano led the way with his sensual bias-cut gowns and his voluptuous hourglass tailoring, which he presented in romantic storybook-like settings.

McQueen, though nearly ten years younger than Galliano, was a brilliant technician and a visionary artist who brought a new reality to fashion, as well as an otherworldly beauty. For his first official collection at the tender age of twenty-three, McQueen did what few in fashion ever achieve: he invented a new silhouette, the Bumster. They had similar backgrounds: sensitive, shy gay men raised in tough London neighborhoods, their love of fashion nurtured by their doting mothers. Both struggled to get their businesses off the ground, despite early critical success. But by 1997, each had landed a job as creative director for couture houses owned by French tycoon Bernard Arnault, chairman of LVMH. Galliano's and McQueen's work for Dior and Givenchy and beyond not only influenced fashion; their distinct styles were also reflected across the media landscape. With their help, luxury fashion evolved from a clutch of small, family-owned businesses into a \$280 billion-a-year global corporate industry. Executives pushed the designers to meet increasingly rapid deadlines. For both Galliano and McQueen, the pace was unsustainable. In 2010, McQueen took his own life three weeks before his womens' wear show. The same week that Galliano was fired, Forbes named Arnault the fourth richest man in the world. Two months later, Kate Middleton wore a McQueen wedding gown, instantly making the house the world's most famous fashion brand, and the Metropolitan Museum of Art opened a wildly successful McQueen retrospective, cosponsored by the corporate owners of the McQueen brand. The corporations had won and the artists had lost. In her groundbreaking work *Gods and Kings*, acclaimed journalist Dana Thomas tells the true story of McQueen and Galliano. In so doing, she reveals the revolution in high fashion in the last two decades—and the price it demanded of the very ones who saved it.

In *Gods and Kings* Dana Thomas, author of *Deluxe*, tells the story of how John Galliano and Alexander McQueen changed the face of fashion. In the first decade of the 21st century the fashion world was dominated by two very different but equally successful and turbulent figures. But, within twelve months, Alexander McQueen had committed suicide, and John Galliano had professionally imploded. Who was to blame? And how was fashion changed by their rise and fall? Spanning the 80s, 90s and noughties, *Gods and Kings* tells the story of these two charismatic figures and times of great change in the world of fashion, from London's raucous art and club scene to the old-world glamour of Parisian couture, and reveals the machinations of this notoriously secretive industry. [Praise for Dana Thomas's *Deluxe*]: 'A crisp, witty social history that's as entertaining as it is informative' - New York Times 'Definitive' - Daily Telegraph Dana Thomas began her career writing for the Style section of The Washington Post and served as Newsweek's European culture and fashion correspondent for fifteen years. She has written for The New York Times Magazine, The New Yorker, WSJ, the Financial Times, Vogue, Harper's Bazaar, and was the European editor of Condé Nast Portfolio. She is a contributing editor for T: The New York Times Style

Magazine, and is the author of the New York Times bestseller, *Deluxe: How Luxury Lost Its Lustre*. She lives in Paris.

“Dan Jones is an entertainer, but also a bona fide historian. Seldom does one find serious scholarship so easy to read.” – *The Times*, Book of the Year A New York Times bestseller, this major new history of the knights Templar is “a fresh, muscular and compelling history of the ultimate military-religious crusading order, combining sensible scholarship with narrative swagger” – Simon Sebag Montefiore, author of *Jerusalem A faltering war in the middle east*. A band of elite warriors determined to fight to the death to protect Christianity’s holiest sites. A global financial network unaccountable to any government. A sinister plot founded on a web of lies. Jerusalem 1119. A small group of knights seeking a purpose in the violent aftermath of the First Crusade decides to set up a new order. These are the first Knights Templar, a band of elite warriors prepared to give their lives to protect Christian pilgrims to the Holy Land. Over the next two hundred years, the Templars would become the most powerful religious order of the medieval world. Their legend has inspired fervent speculation ever since. In this groundbreaking narrative history, Dan Jones tells the true story of the Templars for the first time in a generation, drawing on extensive original sources to build a gripping account of these Christian holy warriors whose heroism and alleged depravity have been shrouded in myth. The Templars were protected by the pope and sworn to strict vows of celibacy. They fought the forces of Islam in hand-to-hand combat on the sun-baked hills where Jesus lived and died, finding their nemesis in Saladin, who vowed to drive all Christians from the lands of Islam. Experts at channeling money across borders, they established the medieval world’s largest and most innovative banking network and waged private wars against anyone who threatened their interests. Then, as they faced setbacks at the hands of the ruthless Mamluk sultan Baybars and were forced to retreat to their stronghold in Cyprus, a vindictive and cash-strapped King of France set his sights on their fortune. His administrators quietly mounted a damning case against the Templars, built on deliberate lies and false testimony. On Friday October 13, 1307, hundreds of brothers were arrested, imprisoned and tortured, and the order was disbanded amid lurid accusations of sexual misconduct and heresy. They were tried by the Pope in secret proceedings and their last master was brutally tortured and burned at the stake. But were they heretics or victims of a ruthlessly repressive state? Dan Jones goes back to the sources to bring their dramatic tale, so relevant to our own times, to life in a book that is at once authoritative and compulsively readable.

The first, definitive biography of the iconic, notoriously private British fashion designer Alexander McQueen “offers new insights...and provides unprecedented access to a misunderstood soul” (*The Boston Globe*). When forty-year-old Alexander McQueen committed suicide in February 2010, a shocked world mourned the loss. McQueen had risen

Download Free Gods And Kings The Rise And Fall Of Alexander Mcqueen And John Galliano

from humble beginnings as the son of an East London taxi driver to scale the heights of fame, fortune, and glamour. He created a multimillion-dollar luxury brand that became a favorite with celebrities, including Kate Moss and Naomi Campbell. He designed clothes for the world's most beautiful women and royalty, most famously the Duchess of Cambridge, who wore a McQueen dress on her wedding day. But behind the confident facade and bad-boy image, lay a sensitive soul who struggled to survive in the ruthless world of fashion. As the pressures of work intensified, McQueen became increasingly dependent on the drugs that contributed to his tragic end. Meanwhile, his failure to find lasting love in a string of boyfriends only added to his despair. And then there were the secrets that haunted his sleep... A modern-day fairy tale infused with the darkness of a Greek tragedy, Alexander McQueen provides "a thorough and emotionally compelling exploration...of a complex and enigmatic artist" (Publishers Weekly). Andrew Wilson's "magnificent" (The Independent, UK) and "compelling and heavily researched bio" (Entertainment Weekly), featuring never-before-seen photographs and rare interviews, dispels myths, corrects inaccuracies, and shares new insights into McQueen's private life and the source of his creative genius.

"With *Deluxe: How Luxury Lost Its Luster*, [Dana] Thomas—who has been the cultural and fashion writer for Newsweek in Paris for 12 years—has written a crisp, witty social history that's as entertaining as it is informative." —New York Times From the author of *Fashionopolis: The Price of Fast Fashion and the Future of Clothes* Once luxury was available only to the rarefied and aristocratic world of old money and royalty. It offered a history of tradition, superior quality, and a pampered buying experience. Today, however, luxury is simply a product packaged and sold by multibillion-dollar global corporations focused on growth, visibility, brand awareness, advertising, and, above all, profits. Award-winning journalist Dana Thomas digs deep into the dark side of the luxury industry to uncover all the secrets that Prada, Gucci, and Burberry don't want us to know. *Deluxe* is an uncompromising look behind the glossy façade that will enthrall anyone interested in fashion, finance, or culture.

"Nebuchadnezzar: military genius, law-giver, architect of one of the Seven Wonders of the Ancient World, and ruler of marvelous Babylon, city of 200,000 souls girded by 18 kilometres of walls so wide two four-horse chariots were said to be able to pass side-by-side; or 'destroyer of nations', the vilified despoiler of Judea ultimately driven mad by the Lord's vengeance? Two very different portraits exist for Babylon's greatest ruler. Wherein lies the truth? Nebuchadnezzar's reign (c630-562 BC) represents the last and perhaps greatest flowering of a culture that had endured for three millennia. His capital, Babylon, home of the famous Hanging Gardens, was a wonder of the ancient world in itself, but nothing remains today of the city except a scattering of dusty mounds, Nebuchadnezzar's deeds

Download Free Gods And Kings The Rise And Fall Of Alexander Mcqueen And John Galliano

have been obscured by time, and popular history has failed to engage this most fascinating of rulers. Anton Gill's new book charts not only Nebuchadnezzar's rise to power, his hand in the downfall of the Assyrian Empire, his campaigns and his architectural transformation of Babylon, but also explores the deeper history of Fertile Crescent and explains why, for all its apparent majesty, Babylon was to fall to Cyrus the Persian only 13 years after Nebuchadnezzar's death."--Publisher description.

"A masterpiece of contemporary Bible translation and commentary."--Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Royalty. Magic. Love. Betrayal. It's in Their Blood. Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world. Katerina must navigate the dark secrets of court life while keeping hidden her own mission: kill the queen. Jacob will go to unthinkable lengths to win Katerina, even if it means having to compete with Hephaestion, a murderer sheltered by the prince. And far across the sea, Zofia, a Persian princess, seeks the deadly Spirit Eaters to alter her destiny.

Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as

Download Free Gods And Kings The Rise And Fall Of Alexander Mcqueen And John Galliano

the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.
