tablets. Use features like bookmarks, note taking and highlighting while reading Grammatica italiana (Italian Edition).

The Leamington Italian Community intertwines personal and family stories with both empirical and intuitive writing to offer new historical insights into the complex social, economic, and psychological causes and effects of the migration phenomenon. Walter Temelini meticulously reconstructs the history of immigration and settlement in Leamington, Ontario, of Italians from the southern regions of Lazio, Molise, and Sicily. He explains how, despite their regional differences, three generations between 1925 and the 1990s forged a cohesive, socially conscious, and unique agricultural community by balancing their inherited values and their newly adopted Canadian economic opportunities. Temelini's groundbreaking research draws on testimonial and documentary evidence gathered from in-depth interviews with hundreds of residents, as well as on original archival information and Italian-language histories translated by the author and previously unavailable

to English-speaking readers. He concludes his study with an investigation into the award-winning novel *Lives of the Saints* by Nino Ricci, one of the community's most celebrated descendants. Drawing parallels between Ricci's narrative and the development of the community, Temelini demonstrates that ethnicity can be transformed successfully into a powerful universal archetype, and a creative force of identity. A pioneering and authoritative work, *The Leamington Italian Community* creates an intimate portrait within a global framework, delving into issues both timely and timeless, that will interest and inform the general and specialized reader alike.

Italiano Urgente! Para Brasileiros é uma poderosa ferramenta para estudo e ensino da língua italiana. Traz questões gramaticais essenciais e as dificuldades mais frequentes relativas ao aprendizado do idioma, tudo isso acompanhado por exercícios de pronúncia e complementares com resposta, que estão disponíveis no site da LTC editora. Elaborado em uma linguagem simples, que propicia o estudo autodidático, a obra inclui: □ O alfabeto; □ Classes gramaticais; □ Discurso direto e

indireto; □ Uso das partículas ci e ne; □ Letras duplas; □ Separação de sílabas, pontuação e acento. Trata-se de uma obra prática de consulta, elaborada para alunos, professores e todos os brasileiros interessados em aprender a língua italiana.

Giusto? Sbagliato? Si dice così? Si scrive così? Una lettura curiosa, utile e concreta sulle norme della nostra lingua, le sue complicazioni e le sue raffinatezze. A scriverla è uno dei più noti grammatici italiani.

Using the Natural Semantic Metalanguage methodology, Gian Marco Farese presents a comprehensive analysis of the most important Italian cultural keywords and cultural scripts that foreign learners and cultural outsiders need to know to become linguistically and culturally proficient in Italian. Farese focuses on the words and speech practices that are used most frequently in Italian discourse and that are uniquely Italian: both untranslatable into other languages and reflective of salient aspects of Italian culture and society. *Italian Discourse: A Cultural Semantic Analysis* sheds light on ways in which the Italian language is related to Italians' character, values, and way of thinking, and it does so in contrastive perspective with English. Each chapter focuses on a cultural keyword, tracing the term through novels, plays, poems, and songs. *Italian Discourse* will be an important resource for anyone interested in Italian studies and Italian linguistics, as well as in semantics, cultural studies, linguistic anthropology, cognitive linguistics, intercultural
