Gray Mountain — Reader Q&A

I'm a big John Grisham fan. I've enjoyed many of his books and thought it would be a no-brainer that Gray Mountain would be a good read. There are both pros and cons to reading this book. The cons are that the story, for the most part, plods along, and the protagonist is uninspired.

The main character is the usual young female lawyer so they chose a ...

Gray Mountain Great story telling as usual from the master of the genre. Not as powerful as some of his past masters, but the book keeps rolling along at a cracking pace and ends, although not necessarily with a cliff-hanger, superbly primed ready for follow up book or even books in the future. Maybe this was deliberate, maybe not, who knows.
