through the present.

Amazon.com: Heritage of Chinese Civilization, The ...  
China was a birthplace of civilization. Of the original world  
civilizations, only China has continued down to the present.  
The civilizations of ancient Mesopotamia, Egypt, and India  
were all submerged or supplanted by subsequent waves of  
very different cultures. Chinese civilization, to be sure, was  
not static. It continued to evolve; but

## The Heritage Chinese Civilization Edition

Xi'an is the oldest of China's Four Great Ancient Capitals, serving as the capital city of 13 dynasties spreading intermittently across a 1,100-year period from 221 BC. It is often called the birthplace of Chinese civilization.. Xi'an was the eastern terminus of the Silk Road, and played a very important part in Chinese history.. Xi'an is characterized by and is proud of its ancient heritage ...

## Xian Travel Guide, Explore China Ancient Culture

There, the ruling communist regime has viewed China ' s rich spiritual and artistic heritage as a threat to its ideology and for decades tried to erase it. But in 2006, a group of Chinese artists came together in New York with a vision: to revive the best of China ' s cultural heritage and share it with the world.

scholars follow in the study of China's past. Together they reveal the depth and vitality of Chinese civilization and demonstrate how an understanding of traditional China can enrich and broaden our own contemporary worldview.

Chinese Civilization sets the standard for supplementary texts in Chinese history courses. With newly expanded material, personal documents, social records, laws, and documents that historians mistakenly ignore, the sixth edition is even more useful than its classic predecessor. A complete and thorough introduction to Chinese history and culture.

This compelling text explores the development of China through its art, religion, literature, and thought as well as through its economic, political, and social history. The author team combines strong research with extensive classroom teaching experience to offer a clear, consistent, and highly readable text that is accessible to students with no previous knowledge of the history of China. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An overview of the Chinese world from prehistoric times to the 1970s emphasizes major trends in society, politics, culture, and intellectual life, and the interaction of China with the other civilizations of Eurasia.

Written with precision and flair by a host of leading academics from Beijing and Hong Kong, this single volume is a welcome addition to the study of world civilizations, a broad yet detailed chronological sweep through time. Every aspect of Chinese civilization is explained, interpreted, contextualized and brought to life with well-balanced
