NO OTHER NAME

NO Other Name Music Book covers all the song from the Album of the same name " No Other Name ", the music book is printed to support The Church world wide so every musician has the sheet music to play the songs of the album in there church or place of worship .

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul ‘ s happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind ‘ s certainty. God ‘ s peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

"Giftbook based on lyrics of song, Healing Rain, by Michael W. Smith. Healing rain of God's forgiveness, mercy, and refreshment"--Provided by publisher.

Based on Hillsong's Grammy-winning, viral smash hit song, a fantastical journey of discovery certain to inspire children who long to know more about Jesus and what draws people to Him. Little Oliver takes a unique, otherworldly journey to unearth the name that is escaping him. It's familiar, he knows. He travels into the world with a little monkey friend, encountering the concepts of beauty, wonder, and power. The journey jogs his memory and he finds that the words to the song are linked to the Name of Jesus--and that he's never alone. Jesus lives in his heart, and it doesn't take an adventure around the world to discover the many names for Jesus

This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

Whether a person is searching for their calling or wholeheartedly pursuing their life's purpose, LIVE LOVE LEAD will help them navigate a faith path that is all their own and discover unique gifts tailored perfectly for their journey. How do people experience the best life that God intends for them? The answer lies in understanding that the Christian life is an adventure, and that they only have to follow the greatest Guide who ever walked the path of life--Jesus. In this straightforward book, Brian Houston shows readers the way to live fully, love completely, and lead boldly--the hallmarks of Jesus' time on earth.

To experience the best life that God intends for you, you must learn to live fully, love completely, and lead boldly--the hallmarks of Jesus' time on earth. Brian Houston now shares his transformative approach to the Christian life, through practical tools and inspiring teaching that will help you identify your unique gifts and reenergize your faith, no matter where you are in your relationship with God. Each daily experience includes: Today's Scripture: A Scripture to meditate on to recalibrate your mind and receive God's restoration. Today's Excerpt: A key truth about living, loving, and leading that will enable you to follow the greatest Guide ever to walk the path of life--Jesus. Today's Thought: An uplifting, liberating, and meaningful thought to start the day with God. Today's Reflection: A place to journal your thoughts and reflections. Today's Prayer: A simple but powerful prayer to help you express your heart to God.

(Piano/Vocal/Guitar Artist Songbook). Here are 11 inventive anthems for the church from the eighth album by this award-winning worship leader: Endless Hallelujah * Fires * Here for You * Holy * Magnificent * Never Once * O This God * 10,000 Reasons (Bless the Lord) * We Are the Free * We Could Change the World * Where Would We Be.

Congregational music can be an act of praise, a vehicle for theology, an action of embodied community, as well as a means to a divine encounter. This multidisciplinary anthology approaches congregational music as media in the widest sense - as a multivalent communication action with technological, commercial, political, ideological and theological implications, where processes of mediated communication produce shared worlds and beliefs. Bringing together a range of voices, promoting dialogue across a range of disciplines, each author approaches the topic of congregational music from his or her own perspective, facilitating cross-disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience. The authors break important new ground in understanding the ways that music, media and religious belief and praxis become ‘ lived theology ‘ in our media age, revealing the rich and diverse ways that people are living, experiencing and negotiating faith and community through music.

Popular music in the twenty-first century is increasingly divided into niche markets. How do fans, musicians, and music industry executives define their markets' boundaries? What happens when musicians cross those boundaries? What can Christian music teach us about commercial popular music? In God Rock, Inc., Andrew Mall considers the aesthetic, commercial, ethical, and social boundaries of Christian popular music, from the late 1960s, when it emerged, through the 2010s. Drawing on ethnographic research, historical archives, interviews with music industry executives, and critical analyses of recordings, concerts, and music festival performances, Mall explores the tensions that have shaped this evolving market and frames broader questions about commerce, ethics, resistance, and crossover in music that defines itself as outside the mainstream.
