A good user manual. The rules should oblige the seller to give the purchaser an operating instruction of Husqvarna 128LDX, along with an item. The lack of an instruction or false information given to customer shall constitute grounds to apply for a complaint because of nonconformity of goods with the contract.

The manual has both 10" and 12" bar and chain recommendations. But for replacement parts it only shows 12" bar and chain. The one I have is in fact a 12", not 10" like the description says here on Amazon. In Amazons defense how can they know what it is when Husqvarna doesn't know? Now look at the images.
