I Am Peace: A Book of Mindfulness by Susan Verde

I am Peace: A Book of Mindfulness hit home. The opening words "There are times when I worry about what might happen next and what happened before" seem to define my every moment. It's not so much that I'm a worrier as that the mind always seems to be engaged in mulling over past events and preparing for what's next; living in the moment is not exactly our culture's strong suit.

An eagle soaring among the clouds or a star twinkling in the night sky . . . a camel in the desert or a boat sailing across the sea—yoga has the power of transformation. Not only does it strengthen bodies and calm minds, but with a little imagination, it can show us that anything is possible. New York Times bestselling illustrator Peter H. Reynolds and author and certified yoga instructor Susan Verde team up again in this book about creativity and the power of self-expression. I Am Yoga encourages children to explore the world of yoga and make room in their hearts for the world beyond it. A kid-friendly guide to 17 yoga poses is included.

I am human I am a work in progress Striving to be the best version of ME From the picture book dream team behind I Am Yoga and I Am Peace comes the third book in their wellness series: I Am Human. A hopeful meditation on all the great (and challenging) parts of being human, I Am Human shows that it's okay to make mistakes while also emphasizing the power of good choices by offering a kind word or smile or by saying "I'm sorry." At its heart, this picture book is a celebration of empathy and compassion that lifts up the flawed fullness of humanity and encourages children to see themselves as part of one big imperfect family—millions strong.

The fifth book in Susan Verde and Peter H. Reynolds's #1 bestselling mindfulness series One seed to start a garden, one note to start a melody, one brick to start breaking down walls: Every movement and moment of change starts with just one. From the #1 New York Times bestselling team behind I Am Yoga, I Am Peace, I Am Human, and I Am Love comes a powerful call to action, encouraging readers to raise their voices, extend a hand, and take that one first step to start something beautiful and move toward a better world. Includes a guided meditation and self-reflection activity.

Encourage kids to find their inner strength with this companion to the New York Times bestsellers I Am Human and I Am Love! I move ahead one breath at a time. I act with bravery. I am courage. When we picture someone brave, we might think they're fearless but real courage comes from feeling scared and facing what challenges us anyway. When our minds tell us "I can't," we can look inside ourselves and find the strength to say, "Yes, I CAN!" From the New York Times bestselling team behind the I Am series comes a triumphant celebration of everyday courage: believing in ourselves, speaking out, trying new things, asking for help, and getting back up no matter how many times we may fall. Grounded in mindfulness and awareness, I Am Courage is an empowering reminder that we can conquer anything. Inside, you'll also find exercises to inspire confidence.

A celebration of love and connection for young readers Susan Verde and Peter H. Reynolds continue their collaboration with the fourth book in their bestselling wellness series. A celebration of love in all its forms, I Am Love asks readers to look inward when they feel afraid. Love allows us to act with compassion and kindness, to live with gratitude, and to take care of ourselves by practicing self-love.

Every September 21 on the International Day of Peace, children around the world wish in many different languages for peace.

Peace is making new friends. Peace is helping your neighbor. Peace is growing a garden. Peace is being who you are. The Peace Book delivers positive and hopeful messages of peace in an accessible, child-friendly format featuring Todd Parr's trademark bold, bright colors and silly scenes. Perfect for the youngest readers, this book delivers a timely and timeless message about the importance of friendship, caring, and acceptance.

When I see a work of art, something happens in my heart! As a little girl tours and twirls through the halls of the art museum, she finds herself on an exciting adventure. Each piece of art evokes something new inside of her: silliness, curiosity, joy, and ultimately inspiration. When confronted with an empty white canvas, she is energized to create and express herself—which is the greatest feeling of all. With exuberant illustrations by Peter H. Reynolds, *The Museum* playfully captures the many emotions experienced through the power of art, and each child's unique creative process. "Verde and Reynolds deliver a simple premise with a charming payoff... this "twirly-whirly" homage to a museum is, on balance, a sweet-natured and handsome celebration." —Kirkus Reviews "Debut author Verde makes an engaging case for understanding art as an experience rather than an object." —Publishers Weekly "The rhymed text captures the excitement of a being sparked by art." —Booklist "Communicates a fresh, playful, childlike perspective on art and normalizes childlike responses to it. The idea that posing, laughing, and curious questions are all appropriate museum behavior may be a new one for both children and parents, and knowing this is sure to make for more enjoyable museum visits." —School Library Journal "For parents who have trouble communicating the excitement of art to their children, *The Museum* can serve as the starting point for a conversation. The book is also a wonderful reminder of visual art's power to encourage and empower self-expression. Children and adults will finish this book excited about their next art experience, and perhaps tempted to dance through the halls of a museum in the near future." —Bookpage "This playful picture book pays tribute to the joyous effect art can have on the viewer." —Shelf-Awareness
