"I Me Mine" is a song by the English rock band the Beatles from their 1970 album Let It Be. Written by George Harrison, it was the last new track recorded by the band before their break-up in April 1970. The song originated from their January 1969 rehearsals at Twickenham Film Studios when they were considering making a return to live performance. Written at a time of acrimony within the group, the lyrics lament

As a life long Beatles fan  
I'm obviously bias this book  
is not for a person who  
wants a good read as in an  
autobiography it's a brief  
but interesting read on how  
and why and where he wrote  
the songs he did and for me  
that's brilliant !!
