I Thought It Was Just

Based on seven years of groundbreaking research and hundreds of interviews, *I Thought It Was Just Me (But It Isn't)* shines a long-overdue light on an important truth: Our imperfections are what connect us to one another and to our humanity. Our vulnerabilities are not weaknesses; they are powerful reminders to keep our hearts and minds open to the reality that we're all in this together.

Amazon.com: *I Thought It Was Just Me (but it isn't)* ...

This is the third book I've read by Brené Brown and it might be my favorite. She has a down-to-earth way of writing that I just love. In her book *I Thought It Was Just Me (But It Isn't)*, Brené looks at the difference between shame and guilt, explores the triggers to these feelings, and how to recognize and overcome these strong emotions. She dives deep to get to the root of what triggers fear and shame within us and why we feel certain situations more strongly
