Incest: From a Journal of Love: The Unexpurgated Diary of Anais Nin is a 1992 non-fiction book by Anais Nin. It is a continuation of the diary entries first published in Henry and June: From the Unexpurgated Diary of Anais Nin. It features Nin's relationships with writer Henry Miller, his wife June Miller, the psychoanalyst Otto Rank, her father Joaquín Nin, and her husband Hugh Parker Guiler. She also copied some of her correspondence with these people into her diary. Much of this book ...

Nonfiction Book Review: Incest: From a Journal of Love ...

D. Jones, in Encyclopedia of Human Behavior (Second Edition), 2012. Incest Taboos and Marriage Rules. If incest is defined as full sexual relations between closely related adults – parents and offspring, or full brothers and sisters – then incest is quite uncommon relative to nonincestuous sex in the great majority of human societies. (This conclusion might be different if incest were ...

Incest - an overview | ScienceDirect Topics

This article describes the origins and history of the incest taboo, with an emphasis on society's response to incestuous sexual assault. The complexity of the topic is shown by its relationship to sociology, psychology, anthropology, philosophy, law, religion and history.

The Problem With Incest | Psychology Today

During the past 20 to 30 years, professionals have given increased attention to intrafamilial incest, primarily addressing father-daughter incest. More recently, sibling incest, a type of intrafamilial incest, has received notice from mental health professionals; however, many professionals still do not recognize the seriousness of the problem.

Incestuous abuse is seen as an international social problem today. At least four journals frequently carry the latest research on this topic: *Child Abuse and Neglect*, *Journal of Family Violence*, *The Journal of Interpersonal Violence*, and *The Journal of Child Sexual Abuse*. However, not everyone sees adult-child sexual contact as abusive.

Incest | Encyclopedia.com

Incest is defined as: "The crime of sexual intercourse or cohabitation between a man and woman who are related to each other within the degrees wherein marriage is prohibited by law" (Black, p. 685). Incest has been held to be repulsive, dangerous, and illegal among many civilizations — even some of the most primitive.

Does the Bible Conflict with Itself in the Matter of Incest?

This paper examines the proposition that the incidence of child sexual abuse by female perpetrators is underestimated. This may be due to a culturally based unwillingness to believe that women commit such acts. Female sexual offenders have been little studied and poorly understood. Until recently mother-child incest was considered to be virtually nonexistent and there remains a huge ...

According to the Journal of Counseling Psychology, ... Covert incest is different from physical incest because it does not involve sexual abuse. But it, too, causes harm. According to some ...

The trailblazing memoirist and author of *Henry & June* recounts her relationships with Henry Miller and others—including her own father. Anaïs Nin wrote in her uncensored diaries like they were a broad-minded confidante with whom she shared the liberating psychosexual dramas of her life. In this continuation of her notorious *Henry & June*, she recounts a particularly turbulent period between 1932 and 1934, and the men who dominated it: her protective husband, her therapist, and the poet Antonin Artaud. However, most consuming of all is novelist Henry Miller—a man whose genius, said Anaïs, was so demonic it could drive people insane. Here too, recounted in extraordinary detail, is the sexual affair she had with her father. At once loving, exciting, and vengeful, it was the ultimate social transgression for which Anaïs would eventually seek absolution from her analysts. “Before Lena Dunham there was Anaïs Nin. Like Dunham, she’s been accused of narcissism, sociopathy, and sexual perversion time and again. Yet even that comparison undercuts the strangeness and bravery of her work, for Nin was the first of her kind. And, like all truly unique talents, she was worshipped by some, hated by many, and misunderstood by most . . . A woman who’d spent decades on the bleeding edge of American intellectual life, a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing. Like many great . . . experimentalists, she wrote for a world that did not yet exist, and so helped to bring it into being.” —The Guardian Includes an introduction by Rupert Pole

The author's diary includes details of her relationships with Henry Miller and his wife, June, Antonin Artaud, Rene Allendy, Otto Rank, and her father

The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the most unique books in 20th century literature.

The renowned diarist continues the story begun in Henry and June and Incest. Drawing from the author's original, uncensored journals, Fire follows Anaïs Nin's journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself.

Mirages opens at the dawn of World War II, when Anaïs Nin fled Paris, where she lived for fifteen years with her husband, banker Hugh Guiler, and ends in 1947 when she meets the man who would be "the One," the lover who would satisfy her insatiable hunger for connection. In the middle looms a period Nin describes as "hell," during which she experiences a kind of erotic madness, a delirium that fuels her search for love. As a child suffering abandonment by her father, Anaïs wrote, "Close your eyes to the ugly things," and, against a horrifying backdrop of war and death, Nin combats the world's darkness with her own search for light. Mirages collects, for the first time, the story that was cut from all of Nin's other published diaries, particularly volumes 3 and 4 of The Diary of Anaïs Nin, which cover the same time period. It is the long-awaited successor to the previous unexpurgated diaries Henry and June, Incest, Fire, and Nearer the Moon. Mirages answers the questions Nin readers have been asking for decades: What led to the demise of Nin's love affair with Henry Miller? Just how troubled was her marriage to Hugh Guiler? What is the story behind Nin's "children," the effeminate young men she seemed to collect at will? Mirages is a deeply personal story of heartbreak, despair, desperation, carnage, and deep mourning, but it is also one of courage, persistence, evolution, and redemption that reaches beyond the personal to the universal.

'Raw, relentless ... Feverish' New Yorker'This is a devastating book about harm. It's about the harm that is unleashed when one person swaps their humanity for what you can really only call evil' Sunday Times'A controlled, exquisitely written book, it disturbs and disgusts, but it also mesmerises and, at certain moments, charms in its quiet brutality' Amia Srinivasan,

Harper's Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up with this secret. In this memoir, the author revisits her early traumas and their aftermath to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a secret. And then, years later, she made herself write it down.

“My breasts stopped growing when my grandfather touched them,” confides ‘Elisa’, a young woman who recounts the traumatic incest and sexual abuse she experienced in childhood. In *Family Secrets*, Gloria González-López tells the life stories of 60 men and women in Mexico who, like Elisa, saw their lives irrevocably changed in the wake of childhood and adolescent incest. In Mexico, a patriarchal, religious society where women are expected to make themselves sexually available to men and where same-sex experiences for both men and women bring great shame, incest is easily hidden, seldom discussed, and rarely reported to authorities. Through gripping, emotional narrative, González-López brings the deeply troubling, hidden, and unspoken issues of incest and sexual violence in Mexican families to light. González-López contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it. She examines the strong bonds of familial obligation between parents and children, brothers and sisters, and elders and youth that, in the case of incest, can morph into sexual obligation; the codes of honor and shame reinforced by tradition and the Church, discouraging openness about sexual violence and trauma; the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse. Together, these cultural factors create a perfect storm for generations upon generations of unspoken incest, a cycle that takes great courage and strength to heal from and overcome. A riveting account, *Family Secrets* turns a feminist and sociological lens on a disturbing trend that has gone unnoticed for far too long.

Why is incest widely prohibited? Why does the scope of the prohibition vary from society to society? Why does incest occur despite the prohibition? What are the consequences? To reexamine these questions, this book brings together contributions from the fields of genetics, behavioral biology, primatology, biological and social anthropology, philosophy, and psychiatry.
