Integrated Management Systems Leading Strategies And ...

Integrated systems require distinctive leadership skills and a unique strategic perspective that may differ significantly from traditional ways of leading health and care organisations. This paper looks at the components of effective systems leadership in the context of ICSs and STPs.

Leadership in integrated care systems (ICSs) | SCIE

An effectively implemented integrated management system aligns policy with strategic and management system objectives and provides the framework upon which to translate these objectives into functional and personal targets.

Integrated Management Systems - qualityplushseq.ca

The second wave of Covid-19 offers new as well as ongoing challenges for the health and care system. These resources are aimed at leaders working in the NHS, social care, public health or the voluntary and independent sector.
