Introducing Body Language by Glenn Wilson | Waterstones

Introducing Body Language will help to improve your nonverbal intelligence and your ability to communicate with others. Learn the simple nonverbal signals that instantly establish trust; how to decode sentiments and behaviors; and, using practical exercises, understand how your body language can influence what your boss, family, friends, and strangers think of you.

Introducing Body Language: A Practical Guide | IndieBound.org

Understanding our body language is not as difficult as some people would have you believe. All human beings use it and so actually have a “ built-in ” ability to recognise and read it. Unfortunately, as humans have become increasingly better at “ verbal ” communication their ability to consciously recognise body language has faded away.
