Beech King Air 350 - Check List  
King Air 350 was introduced to the market in 1984, at the time under name "Super King Air 300". It was based on the Model 200. The new model 300 had a modified airframe and more powerful engines with redesigned cowlings. Later on Beechcraft started modifying the 300 Model by stretching the fuselage by close to three feet, two cabin windows on each side were added, and also famous winglets ...
